Рина

Handwriting practice for the cursive letter 'J'. The letter is drawn in thick black ink on a white background, which is itself on a blue-lined writing grid. Two red star-shaped markers are placed on the letter: one at the top of the vertical stem and another at the end of the middle loop. The letter starts with a loop on the right, goes down, loops back to the left, and then continues down and curves to the left at the bottom.
