Why Mothers are so

Mum and Dad were watching TV when Mum said, "I'm tired, and it's getting late. I think I'll go to bed."

She went to the kitchen to make sandwiches for the next day, put spoons and bowls on the table.

She picked up the game pieces left on the table, put the phone back on the charger and put the telephone book into the drawer.

She watered the flowers. She stopped by the desk and wrote a note to the teacher, counted out some cash for the excursion.

Dad said, "I thought you were going to bed."

"I'm on my way," she said. She put some water into the dog's dish, then made sure the doors were locked.

About that time, Dad turned off the TV and said: "I'm going to bed, dear!"
