

The Seasons

Spring

Summer

Autumn

Winter

- *Spring is green,*
- *Summer is bright,*
- *Autumn is yellow,*
- *Winter is white.*

This is the season when snowdrops bloom, when birds make their nests.

March

- In the spring, in the spring
- Sweet and fresh is everything!

April

- April weather
- Rain and sunshine both together

May

- In the merry month of May
- Children all are happy and gay.
- They laugh and sing and say:
- “Welcome, welcome, merry May!”

The season when nights are short,
children have plenty of fun and sport
boating and swimming all day long
will make us well and strong!

June

- The sun is shining,
- Flowers are blooming,
- The sky is blue,
- And rains are few!

July

- While the sun is shining brightly,
- Little children, come with me,
- Birds, and trees, and flowers to see!

- Let us make a merry ring,
- Talk and laugh, and dance and sing!
- Quickly, quickly, come away,
- For it is a pleasant day!

August

**We like flowers that are bright,
We like flowers that are white,
We like flowers that are blue
We like red and yellow flowers too.**

There are 12 months in the year,
From January to December –
The finest month of all the twelve
Is the merry month September!

September

- 
- A photograph of a forest floor covered in vibrant green moss. Several bright red mushrooms with white stems are scattered across the scene. A single yellow flower is visible in the center. The background is slightly blurred, showing more of the forest floor and some dark tree trunks.
- Autumn is the season,
 - when apples are sweet.
 - It is the season,
 - when school-friends meet.

October

- What a rainy season!
- The sky is dark and grey;
- No sunshine any more;
- No playing outdoors.

November

- But in the rainy season
- I have other joys,
- I read my books and play
- At home with all my toys.

Now the bare black bushes
All look soft and white;
See the snowflakes falling;
What a pretty sight!

December

- This month brings you ski
- And the New Year tree!

January

- It is dark blue at night
- In the morning it is white
- The snowflakes are falling.

February

- This cold and frosty day
- The sun is bright the snow is right!

Who Can Say More?

- A little old man with 12 children, some short, some long, some cold, some hot.
What is he?

A vibrant bouquet of flowers is shown against a clear blue sky. The bouquet features several large, round white chrysanthemums with green centers, interspersed with smaller purple flowers and large yellow flowers. The flowers are arranged in a dense, rounded shape, and the overall scene is bright and cheerful.

A year.

What is without hands and without feet, without a head or a body, but can open a door?

The wind.

What is that can catch me in the garden and make me wet?

Rain.

It is white, it is cold. We can skate on it.
What is it?

Ice

What man cannot live inside the house?

A snowman

Merry Christmas

What goes up when the rain comes down?

An umbrella.

Every season is good!
