

Money in the Past

Denis Vilisov, 8a

**When did people first
start using money?**

People started using money 40,000 years ago.

What is money?

It is something of value. That can be coins and animals.

What is «soft gold»?

Czarist Russia created a tax payable only in animal fur.

**When did the first
coins appear?**

**The world's first coins appeared around 600
years B.C. (before Christus)**
