

We learn while we teach!

We learn while we play!

A photograph of a multi-generational family having a picnic outdoors. An elderly woman with short white hair is smiling and holding a young boy's hand. Next to her is an elderly man with white hair, also smiling. In the foreground, a woman with dark hair tied back is talking to a man with dark hair. They are sitting on a picnic blanket with a basket of fruit. The background shows green trees and a body of water.

What is it?

I am black and nice
And I can catch mice.

I'm big, but I'm funny,
I can climb and
I like honey.

My ears are long,
My eyes are small.
I'm grey and
I'm afraid of all.

Happy Valentine's Day!
