# WHAT KIND OF FILM?

Once again, Tom Granger shows in his latest film why audiences find him so amusing. Playing his usual character, the lovable loser Benny, Granger makes fun of doctors and hospitals in

a hilarious film. Crazy situations and funny dialogues keep you grinning, and the car crash at the end had me crying for all the right reasons. A real hit!

comedy

You'd better bring your tissues if you're going to see the latest from Sam Goldberg. From the very beginning he plays with your emotions. Based on a true story, the film follows the heroine, Nadine, through her

struggle with cancer and her developing relationship with the young doctor trying to save her. Goldberg lets us into their hearts as if we had known them all our lives.
