English traditions

- Samuel Johnson, an English writer, said:
“ When two Englishmen meet, their first talk is of the weather.”
- You know, the weather changes so quickly in England. In the morning it can be warm and sunny, and in the afternoon it can be rainy and wet. You must always take an umbrella when you go out.

My friend Annie
Is taller than me.
My friend Pete
Has got bigger feet.

My friend Rose
Has got a shorter nose.
My friend Peg
Has got longer legs.

After all,
In the end,
There is nothing better
Than a friend!

*Bigger or smaller,
Shorter or taller,
Thinner or fatter,
It doesn't matter.*
