The background of the slide is a prehistoric cave painting. It features several hunters in silhouette, some holding bows and arrows, and a herd of animals, including a large spotted deer or stag and several smaller deer. The paintings are rendered in earthy tones of ochre, red, and brown on a textured, light-colored rock surface.

Презентация к уроку истории  
4 класс УМК «Школы России».

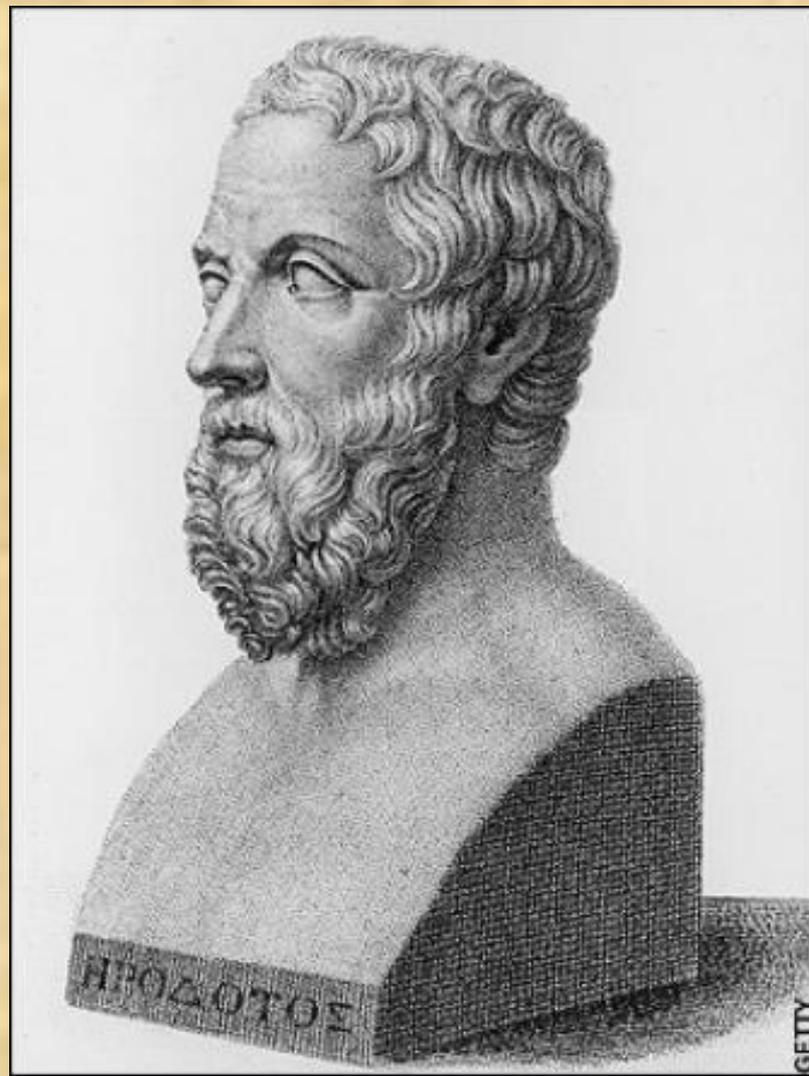

# *Начало истории человечества.*

*Разработала учитель начальных классов  
ГБОУ СОШ № 405 города Москвы  
Чубиркина Ирина Александровна.*

# История – наука о прошлом.

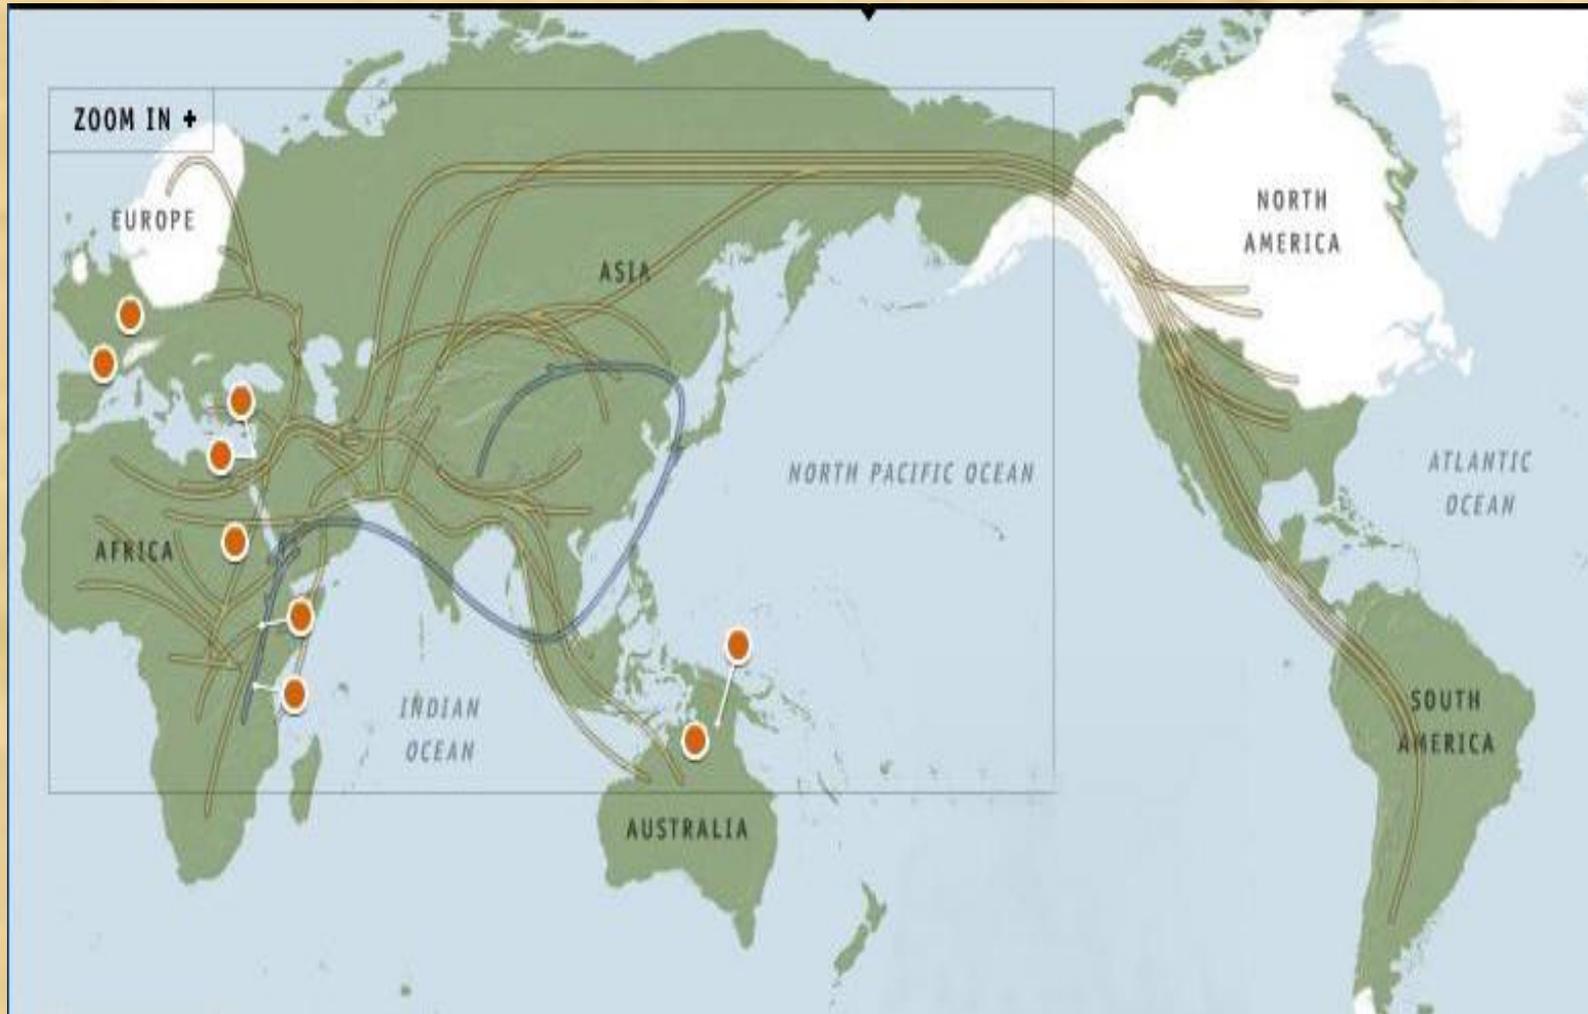

*Геродот –  
первый учёный  
историк.*

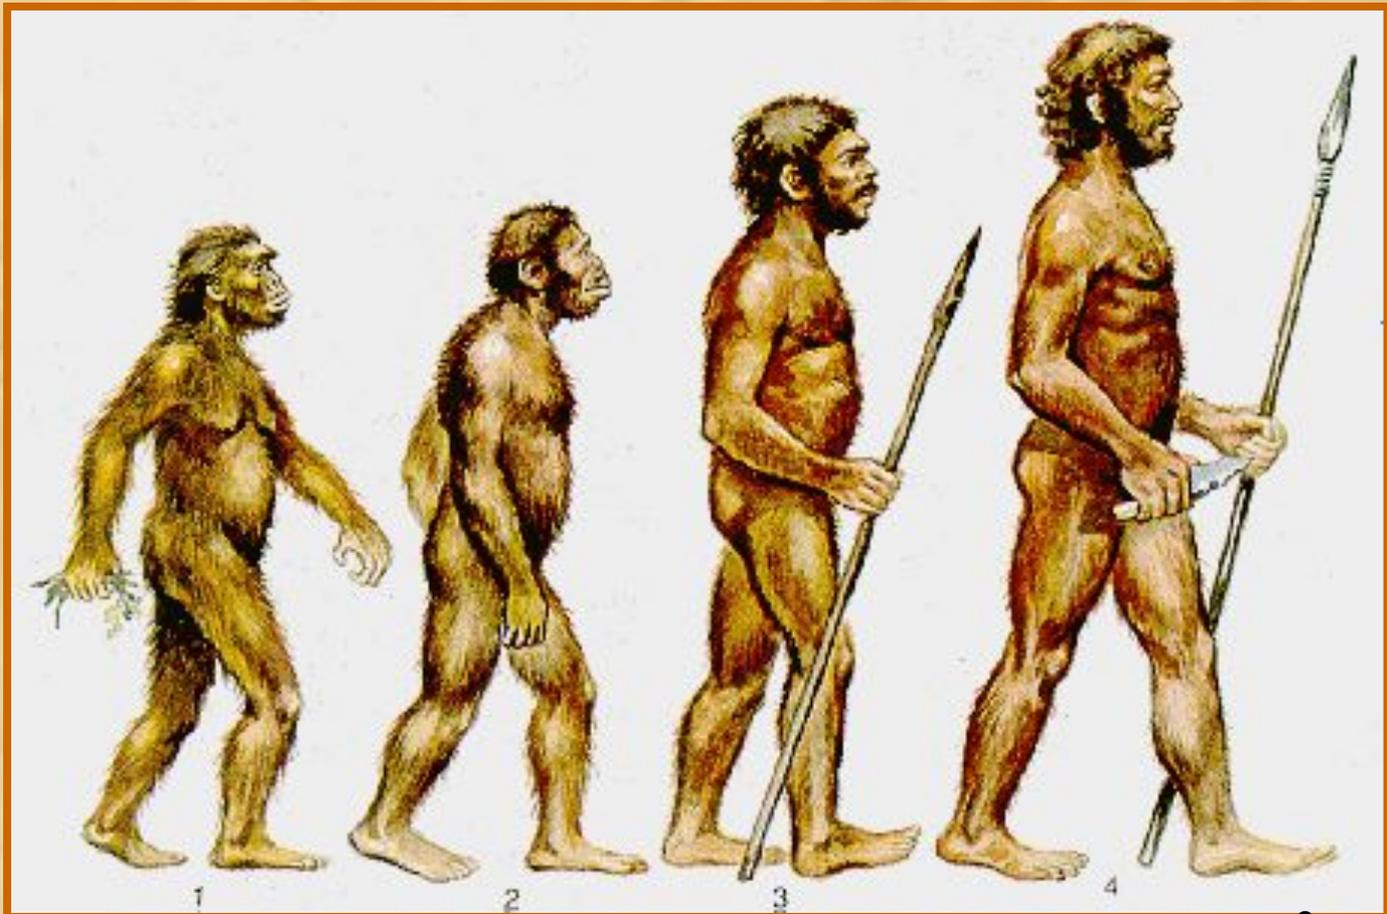

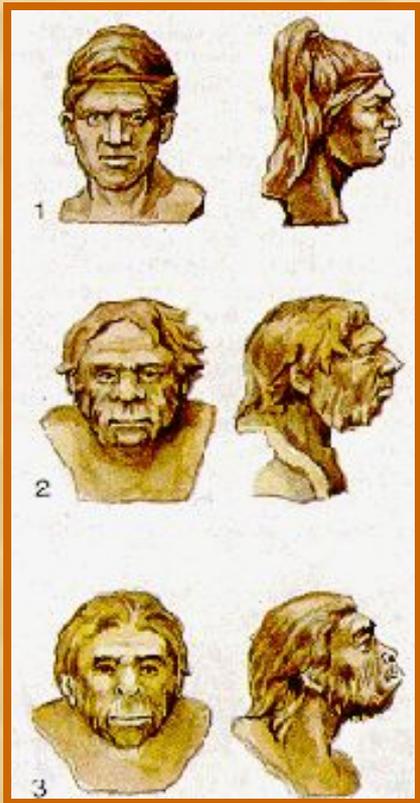

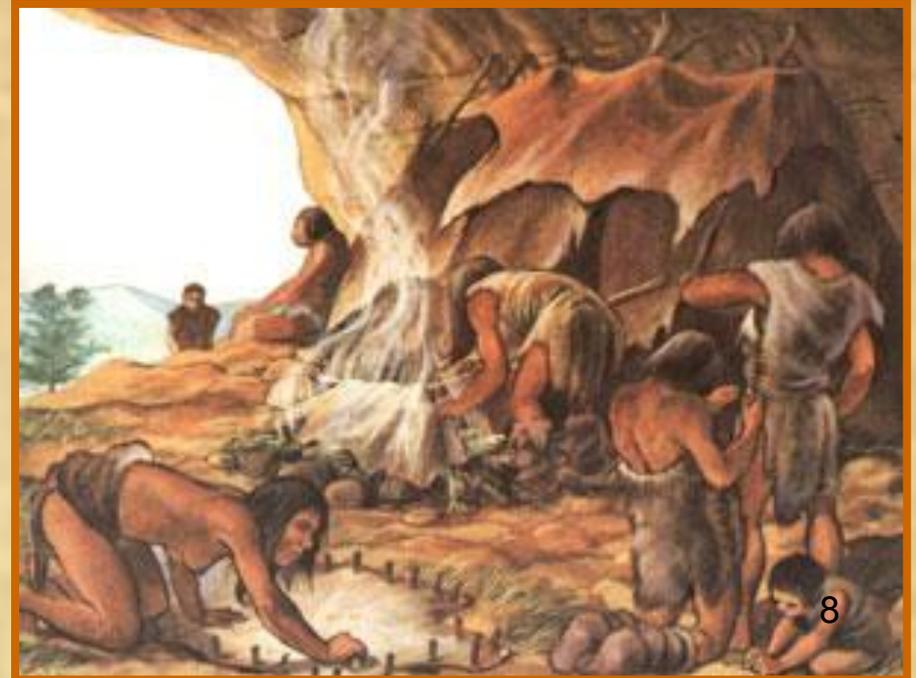

Первобытные люди появились на Земле более 2 миллионов лет назад.

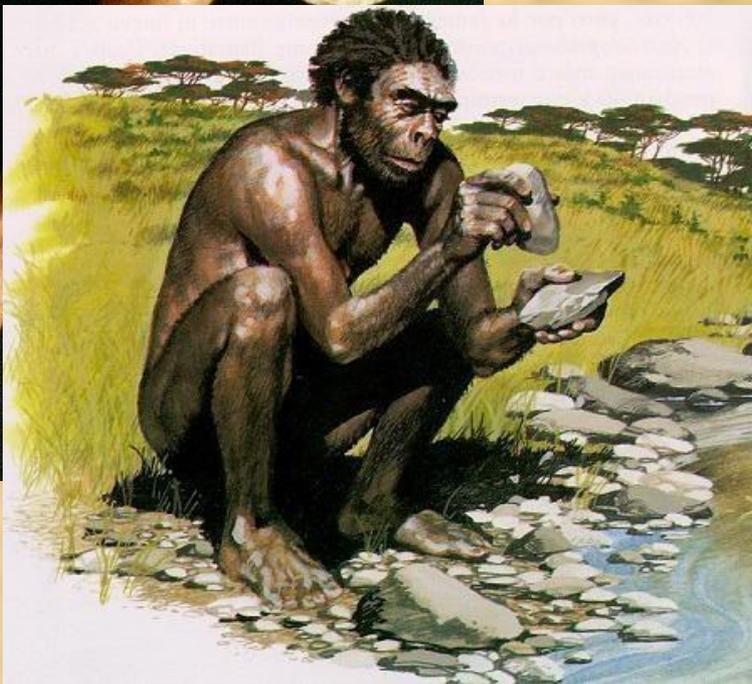

# Следы существования первобытных людей.

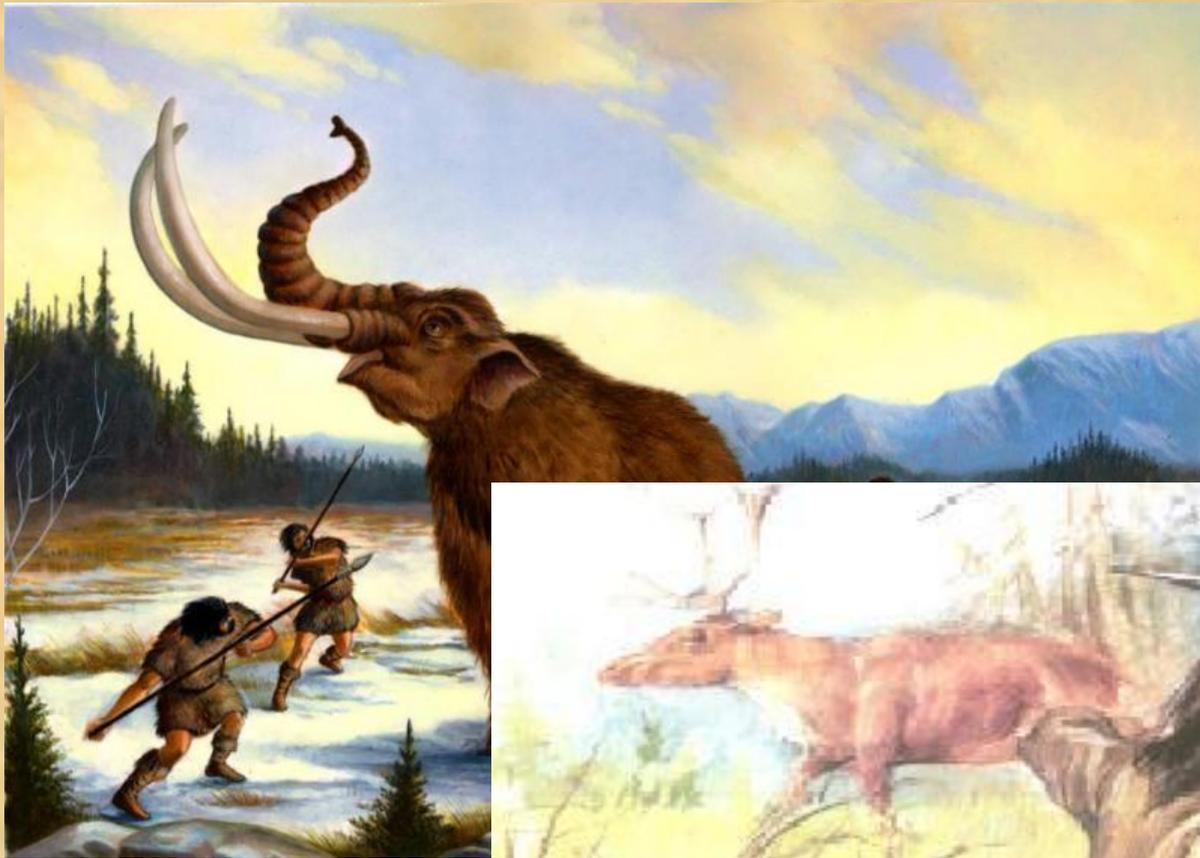

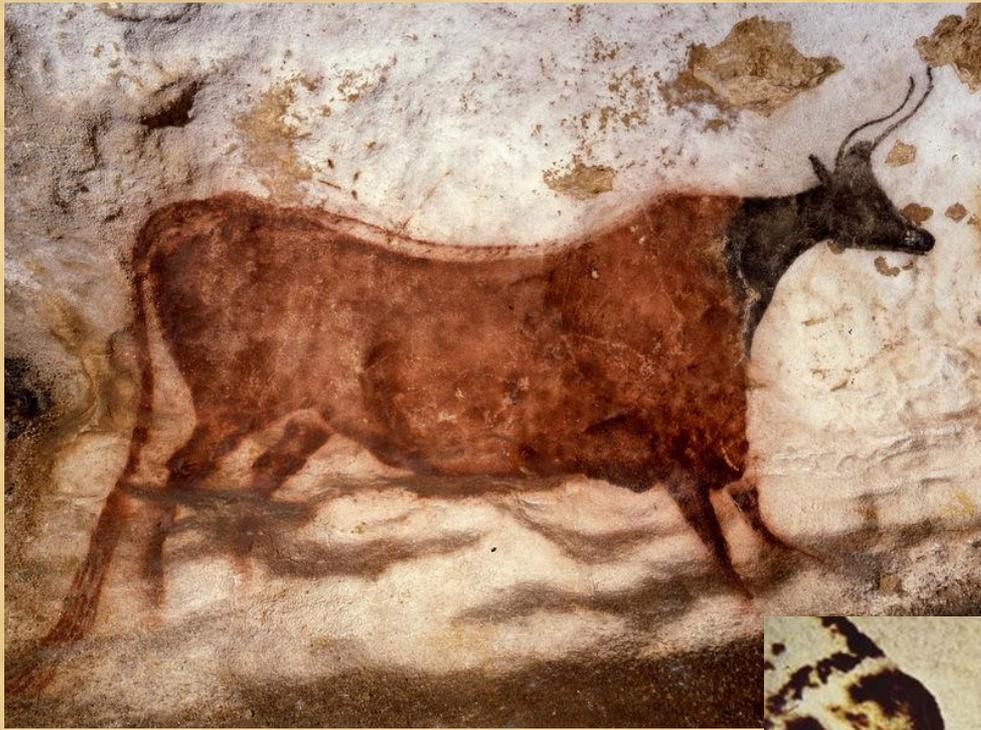

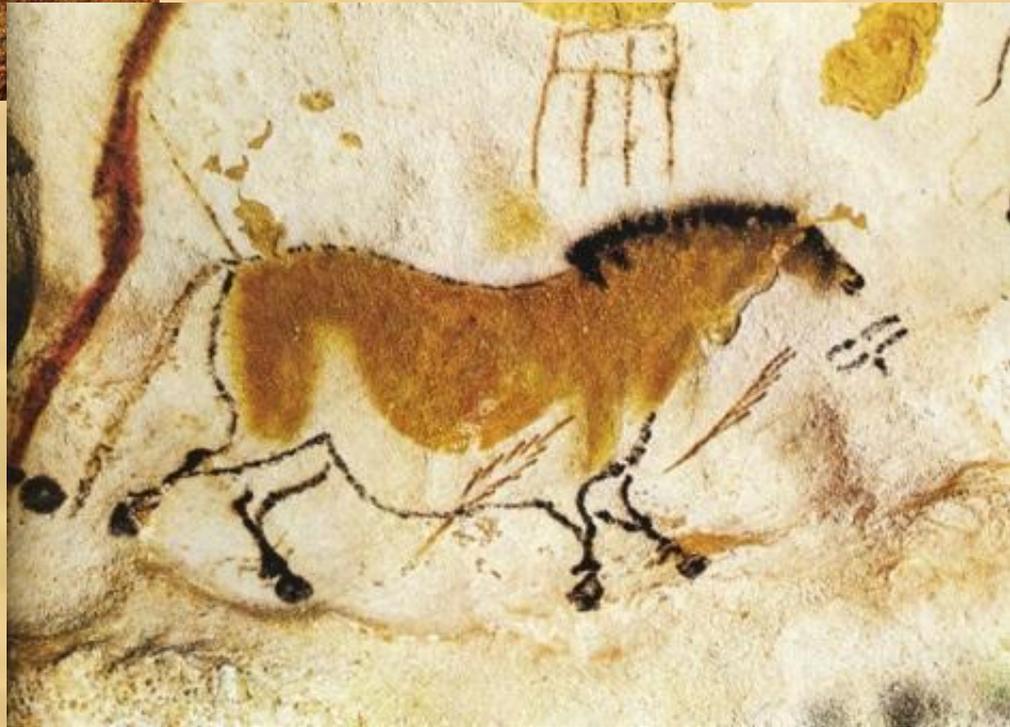

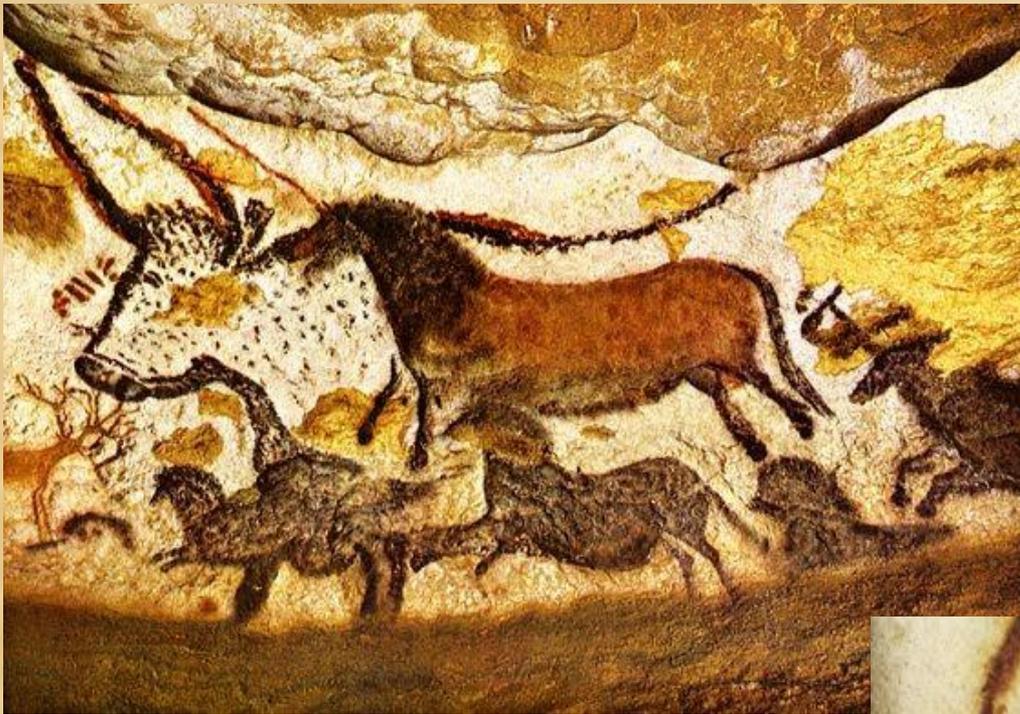

*Спасибо за урок!*
