

*«Светлый праздник
Рождества»*

Творческая мастерская

A blue-toned night scene with a bright starburst in the sky and a tent in the foreground. The starburst is a bright white point with multiple rays extending outwards, creating a cross-like shape. The background is a dark blue sky with many small white stars. In the foreground, there is a dark silhouette of a tent on the left and some other structures or trees on the right. The overall mood is serene and celestial.
