Purpose:

to collect information
about opera singer
Alexei Tatarintsev

Tasks:

to find information about his
professional training;
to learn about his career;
to make a presentation.

Methods:

collecting information about
Alexei Tatarintsev in mass media,
interview.

Alexei Tatarintsev was born in 1981 in the village of Burnak, Zherdevski district, Tambov region. His family is a traditional Russian family of the 20th century. His grandfather, grandmother and father have handed a musical talent to him. He didn't get special musical education.

Alexei started out on his singing when he was a pupil. It was in the 1990s. He won his first song competition “Zherdevski little Stars” with Gazmanov’s song “Officer”. He didn’t only sing but he could play the baian, the synthesizer. Alexei loved singing best of all, that is why he decided to become a singer. The young man must work hard.

PROFESSIONAL TRAINING

2003 - Alexei Tatarintsev graduated from the department of choral conducting of Tambov Derzhavin State University. During his studies he was a soloist of the Rachmaninov Chamber Choir.

To sum up I'd like to tell you that Alexei Tatarintsev is an intelligent man with strong artistic instincts. His talent, work and achievements are commendable. I think he is a role model for our generation because Alexei is a hard-working, well-organized, well-educated person. Moreover, he loves his parents and small motherland. When Alexei has free time, he visits his parents. People of our district are proud of him. My teachers heard his singing, when he sang for teachers of Zherdevski district in 2004.
