

# Число ноль. Цифра 0.

## 1. Отгадай загадку - шутку

### Барсучиха

Барсучиха-бабушка

Напекла оладушков.

Угостила двух внучат —

Двух драчливых барсучат,

А внучата не наелись,

С рёвом блюдцами стучат!

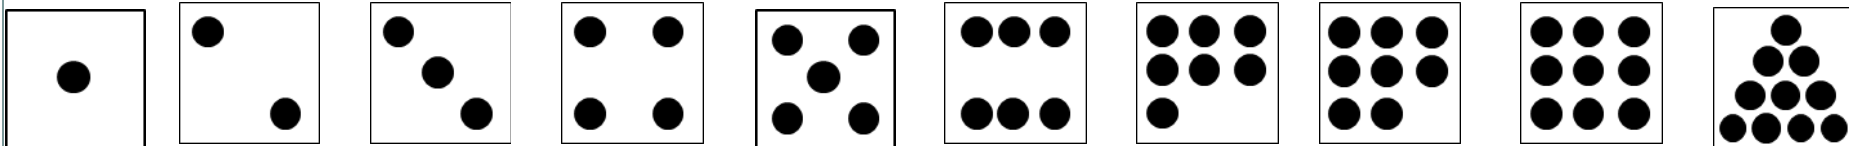

Ну-ка, сколько барсучат

Ждут добавки и молчат?

(НИСКОЛЬКО)

• Обозначить число воспитанных барсучат моделями числа.

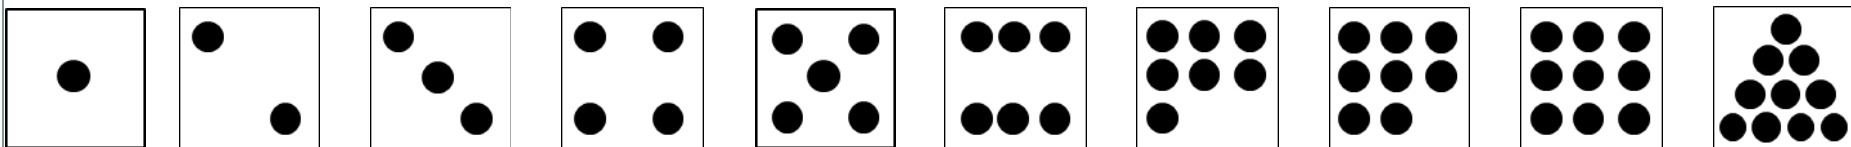

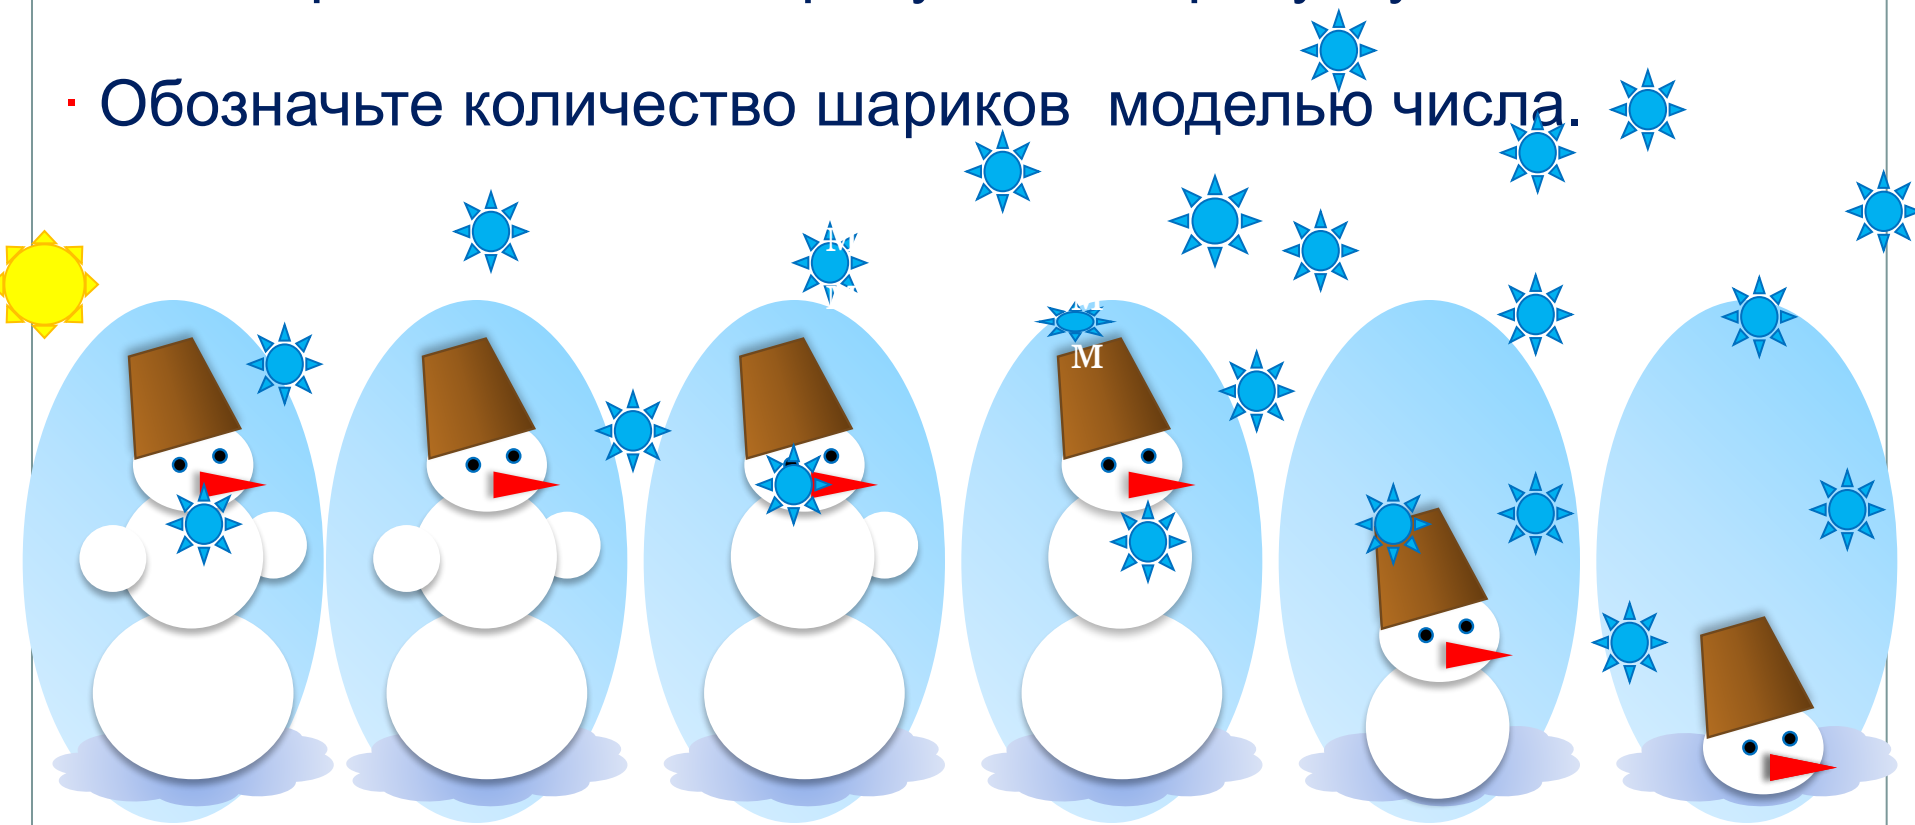

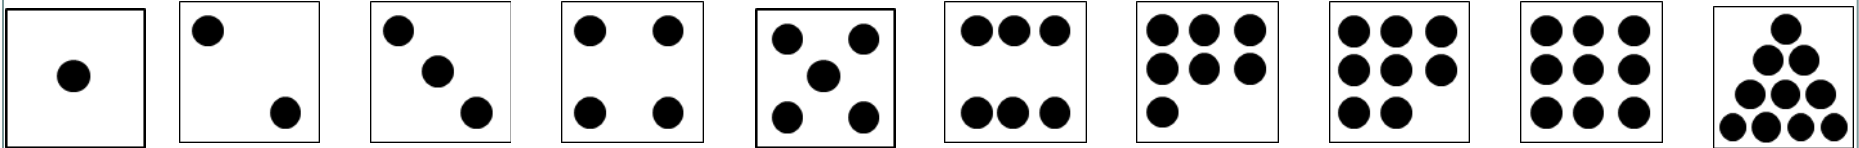

## 2. Помоги Пете ответить на вопросы.

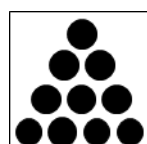

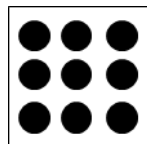

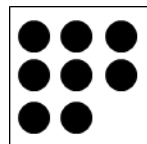

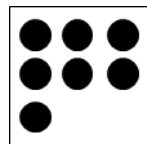

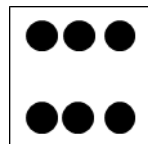

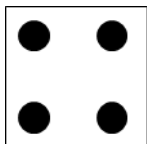

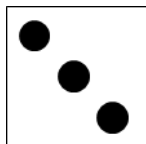

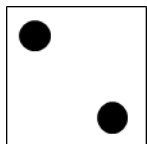

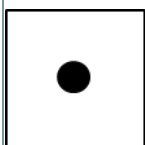

- Сколько дедушек учится в нашем классе?
- Сколько говорящих собак ты знаешь?
- Сколько знакомых тебе кошек умеют вышивать?

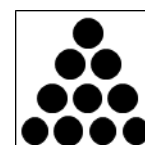

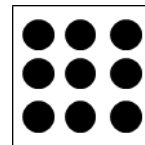

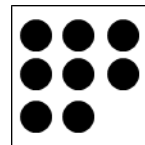

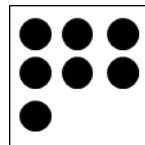

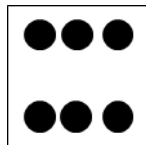

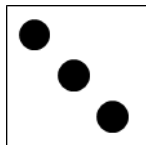

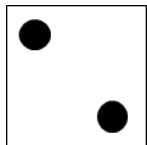

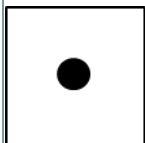

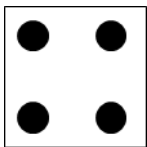

3. Какой рассказ можно придумать по рисунку Пети.

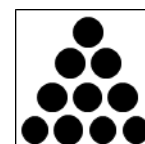

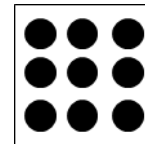

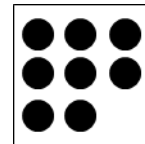

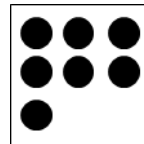

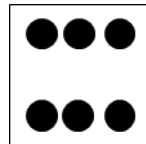

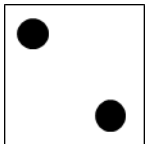

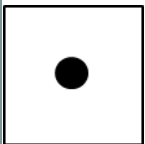

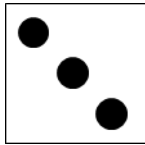

· Обозначьте количество шариков моделью числа.
