

The background is a dense field of heart-shaped confetti. The hearts are in two colors: a vibrant red and a soft, pale pink. They are scattered across the entire frame, creating a textured, celebratory look. In the center, the text 'St. Valentine's Day' is written in a large, bold, purple font. The text is split into two lines: 'St. Valentine's' on the top line and 'Day' on the bottom line. The purple color of the text contrasts with the red and pink background. In the top right corner, there is a small, faint logo for 'Blissful Moments' with the tagline 'please bring you'. In the bottom right corner, there is a small yellow bell icon with radiating lines, suggesting a notification or audio feature.

From the History

St. Valentine's Day is neither a national nor a religious holiday, but it's wildly celebrated all over the world.

The celebrating dates back to the ancient Roman festival called "Lupercalia" which took place on February 14th or 15th in honor of Juno, the Roman Goddess of women, and Pan, the god of nature.

**I
LOVE
YOU!**

From the History

The first Valentine was a Christian priest who was imprisoned and executed in the third century for spreading the teachings of Christ.

On February 14, he was beheaded, but not before he managed to heal the jailer's blind daughter and write her a farewell letter which he signed "From Your Valentine."

The second Valentine was an Italian bishop who lived at about the same time and was imprisoned for secretly marrying couples, contrary to the laws of the Roman emperor.

Legend says, that he was burned at the stake.

There was also another St. Valentine who was a good friend to children.

Because he would not worship the gods decreed the Roman emperor, he was put in prison.

While he was imprisoned, the children missed him and sent him loving notes.

THE CUSTOM OF SENDING VALENTINE CARDS

There are a lot of traditions, customs and games on St. Valentine's Day.

The custom of sending valentine cards started in the middle ages.

A Frenchman, Charles, of Orleans, was captured by the English in a battle.

He was put in prison in the Tower of London.

There he wrote valentine poems.

Many of them were saved and can be seen today in the British museum.

**Just a little note to
say,
Have a happy,
happy Valentine's
Day.**

**February the 14th day,
It's Valentine they say.
I choose you from among the rest
The reason is I love you best!**

**Remember M
Remember E
Put them together
Remember ME.**

We are each of us angels with only one wing. And we can only fly embracing each other.
