

# Музыкальные инструменты народов Урала

# Балалайка – русский народный инструмент

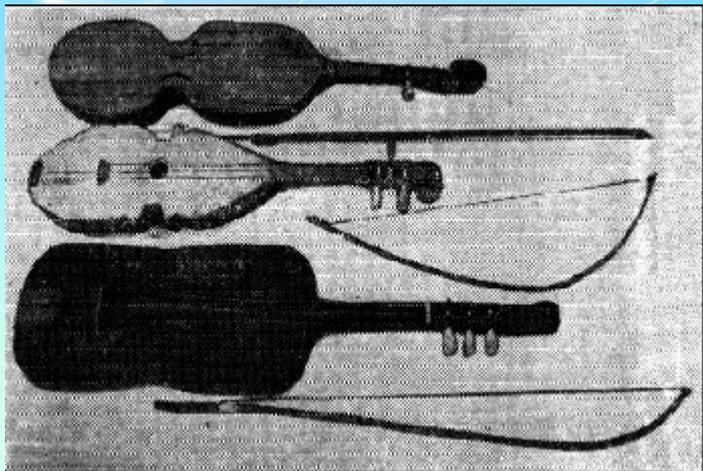

# Домра – русский народный щипковый инструмент

# Думбыра – башкирский музыкальный инструмент

# Сигудок – струнный смычковый музыкальный инструмент коми-пермяков

# Мандолина – татарский народный струнный музыкальный инструмент

The background is a vibrant blue gradient, transitioning from a lighter cyan at the bottom to a deeper blue at the top. It is decorated with several large, translucent, 3D-rendered bubbles of varying sizes. In the upper left and lower right corners, there are clusters of small, multi-colored dots (yellow, pink, white, cyan) and thin white curved lines that suggest a dynamic, flowing motion. The overall aesthetic is clean, modern, and celebratory.
