

The turnip

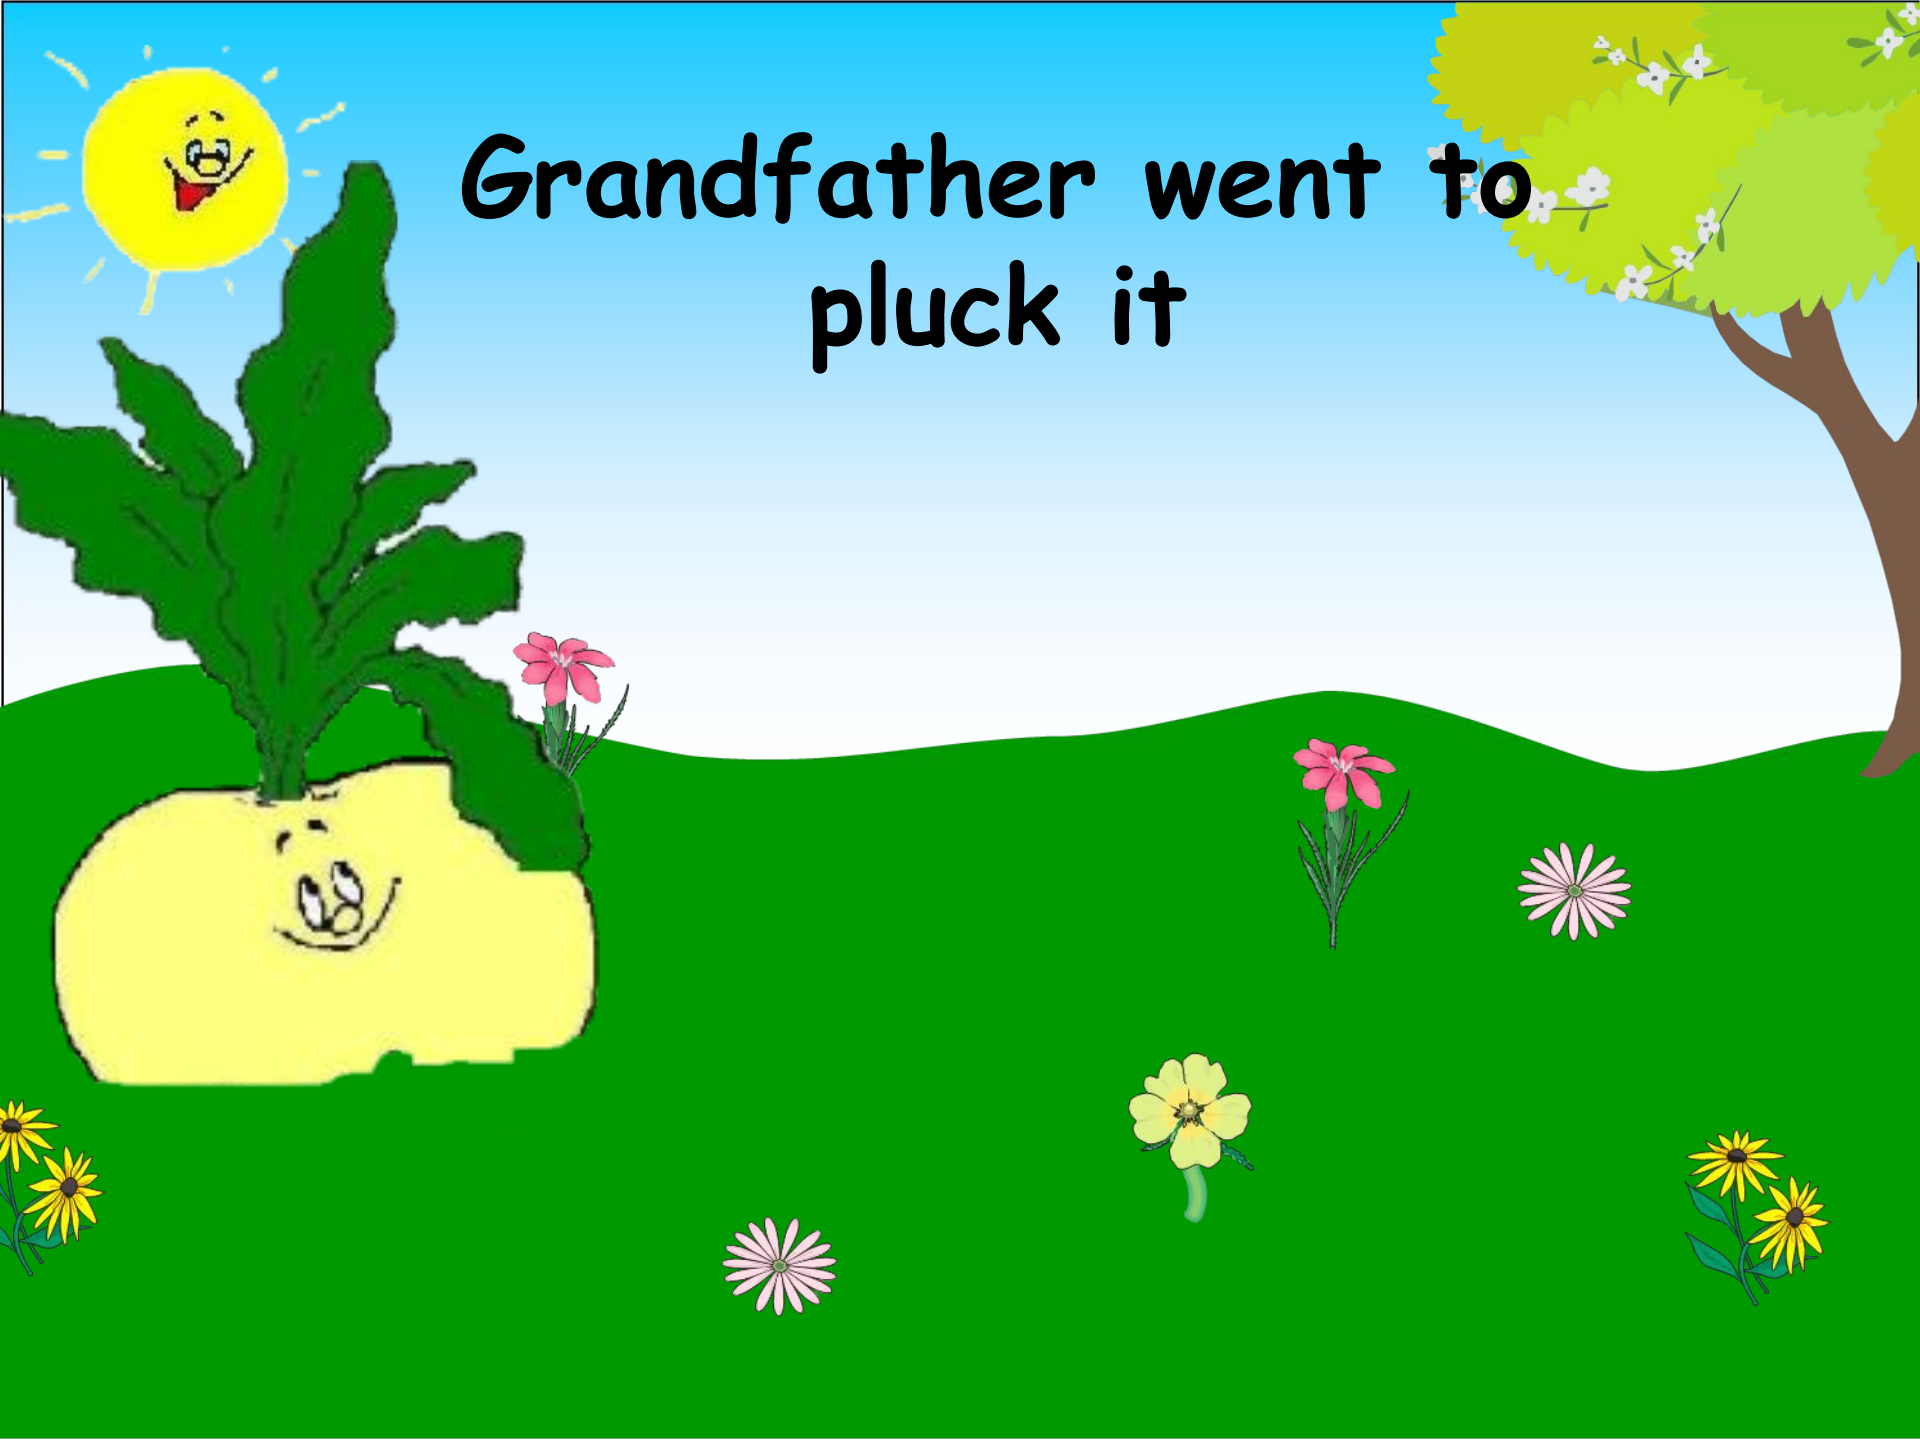

One day Grandfather
planted a turnip

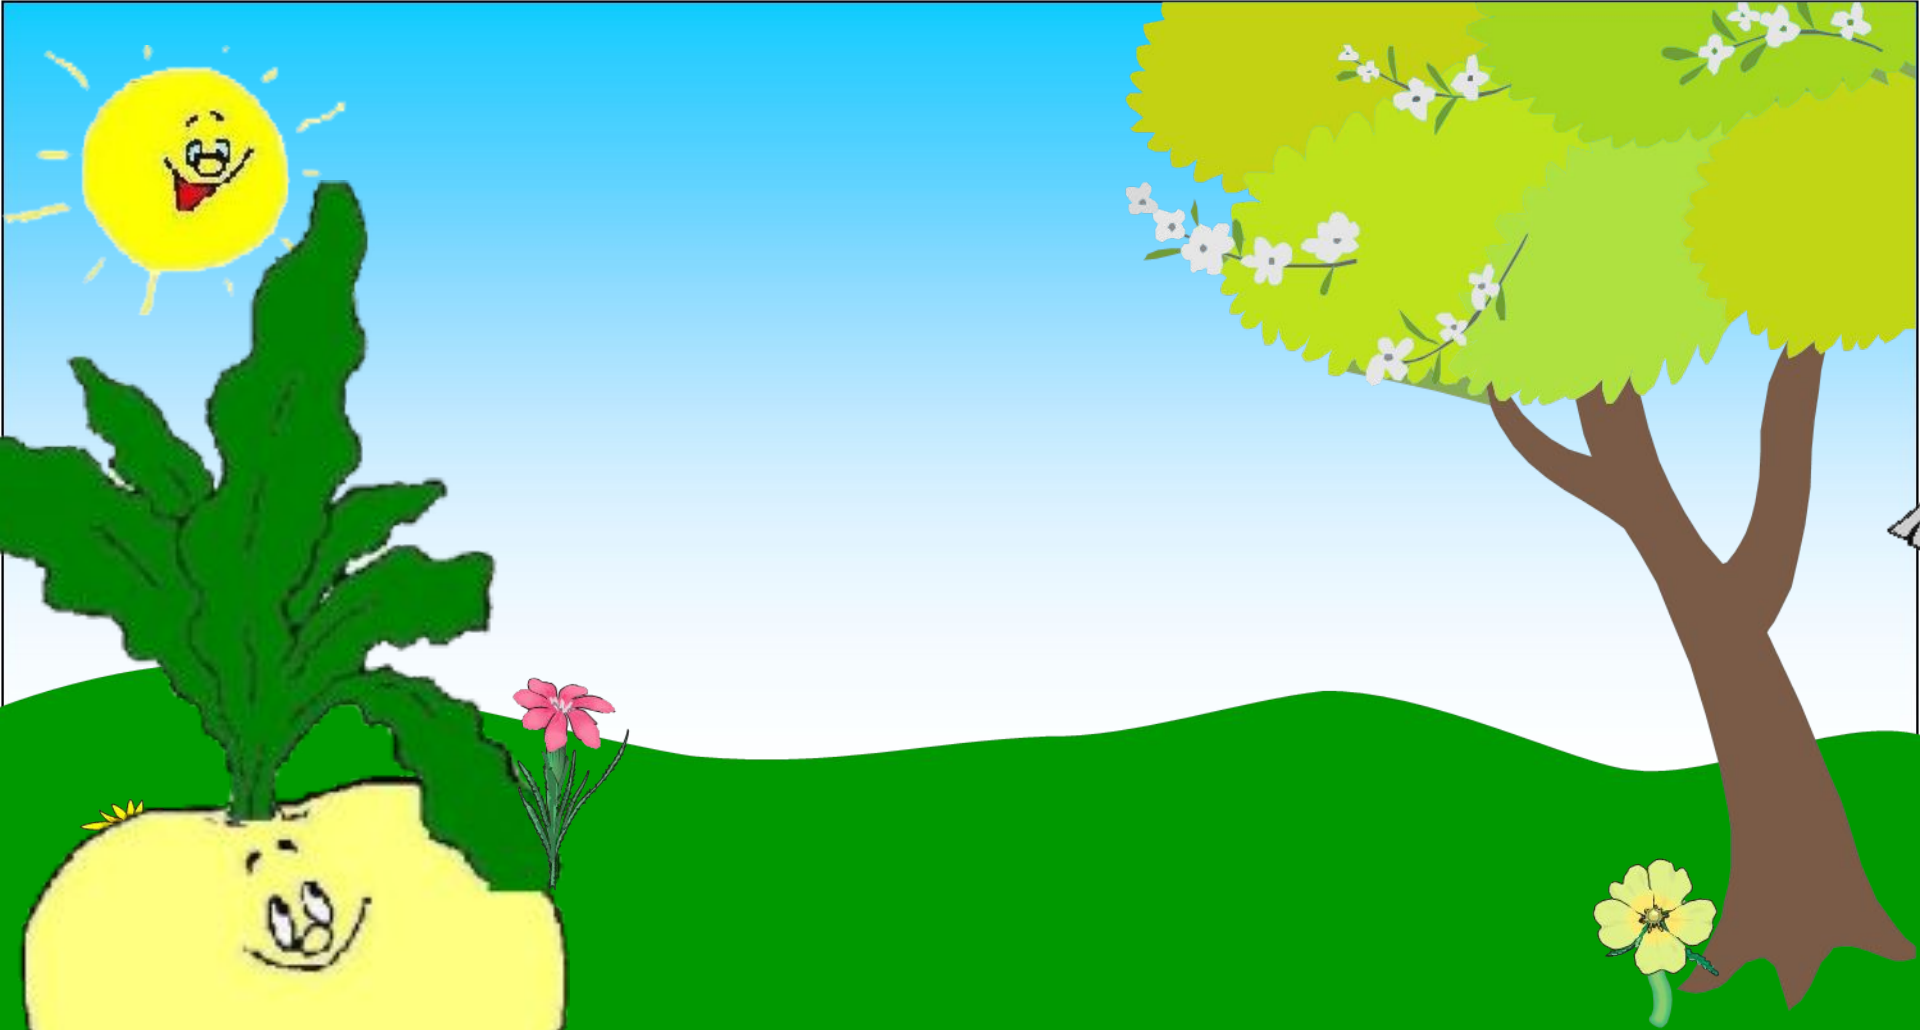

The turnip grew and
grew till it was very,
very big.

**Grandfather went to
pluck it**

He pulled and pulled but he could not pull it out.
So he called a Grandmother.

He pulled and pulled
but he could not pull it out.
So he called a Granddaughter.

They pulled and pulled but could not pull it out.
So they called a dog.

They pulled and pulled
but could not pull it out.
So they called a cat.

They pulled and pulled but could not
pull it out.
So they called a mouse.
