

ТРЕНИРОВКА ПАЛЬЧИКОВ МАТЕМАТИКА

A handwriting practice grid on graph paper. The grid is 12 columns wide and 15 rows high. The first row contains a large red-bordered box with a red arrow pointing up and to the right, a black arrow pointing down and to the right, and a small illustration of a hand with fingers curled. To the right of this box are two rows of small black arrows pointing up and to the right, with two arrows per column. The second row contains a series of dots: a black dot, a red dot, and then four black dots. The third row contains a series of short black lines: a red line, a black line, and then four black lines. The fourth row contains a series of short black lines: a red line, a black line, and then four black lines. The fifth row contains a series of short black lines: a red line, a black line, and then four black lines. The sixth row contains a series of short black lines: a red line, a black line, and then four black lines. The seventh row contains a series of short black lines: a red line, a black line, and then four black lines. The eighth row contains a series of short black lines: a red line, a black line, and then four black lines. The ninth row contains a series of short black lines: a red line, a black line, and then four black lines. The tenth row contains a series of short black lines: a red line, a black line, and then four black lines. The eleventh row contains a series of short black lines: a red line, a black line, and then four black lines. The twelfth row contains a series of short black lines: a red line, a black line, and then four black lines. The thirteenth row contains a series of short black lines: a red line, a black line, and then four black lines. The fourteenth row contains a series of short black lines: a red line, a black line, and then four black lines. The fifteenth row contains a series of short black lines: a red line, a black line, and then four black lines. At the bottom center of the grid, there is a small red-bordered box containing the number 1.
