ENGAGEMENT. EFFICIENCY METRICS CPE (VK + FB)

TOP-3 of VK generators

Parts of a palm

Levels of English

Metallica song

TOP-3 of FB generators

Parts of a palm

A Buddha quote

Beverly Hills

Conclusions and recommendations:

Practically useful content (free test of the language level) and 2EYES post about Metallica got the cheapest CPE in VK. FB - famous people quotes and a movie teaser. Audience of both platforms demonstrated very strong response to the "Fingers" post

ENGAGEMENT. EFFICIENCY METRICS CPE (VK + FB)

Product post

Posts with lowest engagement on VK

The poll about studying English

EF triathlon team

Repost of the interview with EF director

Posts with lowest engagement on FB

Information for photographers

My Goal competition campaign video

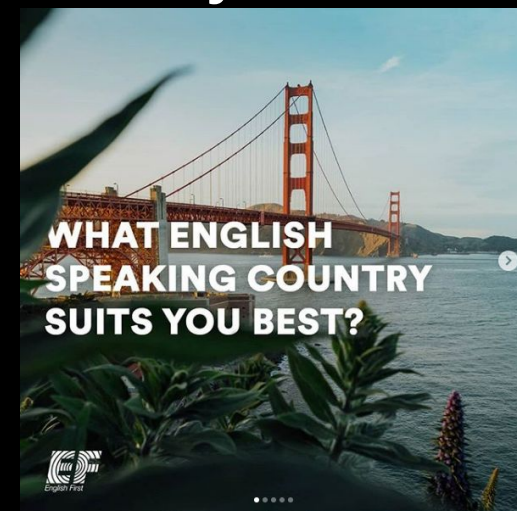

Conclusions and recommendations:

VK and FB audiences interacted worse with content that wasn't strictly connected to learning English.

ENGAGEMENT. EFFICIENCY METRICS CPE (IG)

TOP-3
of Instagram generators

Levels of English

EF bicycle team

The worst
Instagram engagement

Zombie
apocalypse

The poll about
studying English

My Goal
competition

Conclusions and recommendations:

Instagram users reacted positively to the content connected with English speaking countries, practically useful information and EF team most readily. We got least audience engagement with the product posts and posts containing specific information.

2EYES CONTENT

EF triathlon team

Metallica song

Conclusions and recommendations:

Post about EF triathlon team got the worst CPE on VK, post about Metallica - the best CPE on VK. It's better to use more abstract occasions, not directly connected with EF.
