

Somebody That I Used To Know

Gotye (feat. Kimbra)

You can get to a certain kind of sadness

Like resignation to the end, always the end

So when we found that we could not make

Well you said that we would still be friends

But I'll admit that I was that it was over

Now and then I think of when we were together

Like when you said you felt so you could die

Told myself that you were right for me

But felt so in your company

But that was love and it's an I still remember

No, you didn't have to ~~smooth~~ / **stoop** so low

Have your friends ~~get~~ / **collect** your records

And then change your number

I guess that I don't need that **though** / **dough** —

Now you're just somebody that I used to **know** / **now**

CHORUS:

But you didn't have to ~~put~~ / **cut** me off

Make / ~~Take out~~ like it never happened

And that we were nothing

And I don't even need **your love** —

But you treat me like **a stranger** / **in danger**

And that feels so rough

And I don't wanna live that way

into every word you say

You said that you could let it go

And I wouldn't catch you

up

On somebody that you used to know...

and then I think of all the times

You me over

But had me

It was always something that I'd done

No, you didn't have to **stoop** so low

Have your friends **collect** your records

And then change your number

I guess that I don't need that **though**

Now I wish I could look back that I used to **know**

CHORUS:

But you didn't have to **cut** me **off**

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like **a stranger**

And that feels so rough
