

My presentation about
one of the most popular
polyglot in the world.

Tim Doner- is a 17 years old guy, which has learned more than 20 languages!

He is not talented, he is a hard work and most ambitious person who has a great psychological power!

**#1:
English**

**#2:
French**

I started learning when I was only 8

**#11:
Farsi**

**#5:
Russian**

I'm learning Russian without a teacher

He uploaded his own video in youtube and became as a famous. In this video he spoke in over than 20 languages.

He is presenting his own method how to learn languages.

He uses more than 6 languages in his habitual life, such as:

- ▶ 1. English
- ▶ 2. French
- ▶ 3. German
- ▶ 4. Mandarin Chinese
- ▶ 5. Arabic
- ▶ 6. Persian
- ▶ 7. Russian
- ▶ 8. Hindi
- ▶ 9. Turkish

All of the talented persons wasn't born talented, they are became as a talented. All of them are hard work and have a goal! And they know how to aspire for reaching their goals!

Have we any aims like that? Of course we have, but we should gravitate to get it!
