

The background is a light beige color with a pattern of various numbers (1, 2, 3, 4, 5, 6, 7, 8, 9, 0) and mathematical symbols (%, +, x) in different colors and sizes. The numbers are scattered across the page, some in white and some in brown. The mathematical symbols are also scattered, with a prominent blue 'x' and a green '+' in the lower-left area. A large, light beige rectangular box with a brown border and rounded corners is positioned in the center-right of the page. Inside this box, the title 'Игра «Танграм»' is written in a brown, serif font. Below the main box, there is another smaller, empty rectangular box with a brown border and rounded corners, also in light beige. On the left side of the page, there are several colorful geometric shapes: a blue triangle, a purple square, a yellow circle, a red cube, and a green cylinder, all with brown outlines. In the center-left area, there are several colorful numbers: a blue '3', a purple '4', a yellow '6', a red '7', a green '9', a blue '2', and a blue '8'.
