

Navutu Stars Resort, Yaqeta, Yasawa Islands Fiji

ABOUT US.....

Category: Boutique 4 stars
Resort

Location: Yaqeta, Yasawa
Islands.

Key selling points: away from it all but accessible by Catamaran, Seaplane, Speedboat or Heli, only resort on the island, real boutique resort (9 bures only), located in stunning and pristine Yasawa, new & immaculate huge bures (70sqm), great Italian food, ambience, privacy, local cultural activities (close to 2 traditional Fijian villages), coral regeneration program, no children - adults only, affordable luxury, managed by owners, 2:1 ratio staff-guest, highly personalized service.

The Grand bures

Located on the Eastern Side of the Resort in a separate bay, the Grand bures feature the signature sunken tubs which is a romantic hearts delight especially the 'After Dinner Soak' ...extra wide decking, one has a 120sq of garden space and both have unimpeded views of the channel and nearby islands...

Beachfront Bures

Meters away from the beach and separated by high bamboo walls and herbaceous borders, you wake up to the tranquil view of a turquoise lagoon and the sound of the waves gently lapping the shore...

Beachfront Bure Interior & View

Garden bure Interior

Nestled cozily between the 2 Grand bures is one of our Garden bures and the other is located slightly behind the Beachfront bures...they share the same architecture, design and décor of the Beachfront bures but simply called the Garden because they are located a bit further away from the beach
