The image shows a page from a textbook with various mathematical activities. At the top, there is a row of five boxes containing the numbers 1, 2, 3, 4, and 5. The number 5 is written in red. To the right of these boxes is a die showing the number 5. Below the boxes and die are three dice showing different faces: 5 and 1, 1 and 4, and 2 and 3. To the right of the dice is a number line from 1 to 5, with a red arrow indicating an addition of 1 from 4 to 5. Above the number line is an illustration of five colorful figures (a star, a bear, a bear, a bear, and a bear) holding hands. Below the number line is a large red pentagon.
