СОЧЕНЫ

Сочень с яблоками

Расстегаи

Шаньга

A large plate filled with numerous dumplings (пельмени) is the central focus. The dumplings are light-colored, likely from a flour-based dough, and have a characteristic crescent shape with a folded edge. They are arranged in a somewhat circular pattern on the plate. The plate itself is white with a decorative blue floral and fruit pattern around the rim. The background is a reddish-brown surface with a subtle floral pattern.

Пельмени

Блинны, блинчики оладьи
