**Написание письма
личного характера**

C1.

You have 30 minutes to do this task.

You have received a letter from your English-speaking pen friend Andrew.

...My dad bought me a laptop yesterday. It's cool! Now I can play computer games everywhere! But it drives my mum crazy. She says that all computer shooting games are stupid.

What do teenagers in your country do in their free time? Do you like or dislike computer games and why? What do you use computers for?...

Write him a letter and answer his 3 questions.

Write 100-120 words. Remember the rules of letter writing.
