

The background of the slide is a close-up, high-contrast image of flames. The fire is bright yellow and orange, with dark, swirling patterns of smoke and ash. The flames are dynamic and appear to be rising and spreading across the frame.

пожарных
«Сирена»

A large, multi-story brick building is engulfed in intense orange and yellow flames, with thick black smoke billowing from the roof. Several firefighters in full protective gear are positioned in the foreground, directing high-pressure streams of water onto the burning structure. The scene is set outdoors on a wet surface, likely a street or fire station area, with bare trees visible in the background under a grey, overcast sky.
