

The background is a vibrant illustration of school supplies and decorative elements. On the left, there are three balloons (yellow, red, and white) tied to a purple notebook. Below them is a blue school bag with yellow straps and a red pencil sticking out. In front of the bag is a stack of three books (green, yellow, and blue) and a red apple. A green pencil stands vertically on the left side of the page. On the right, a red pencil stands vertically. A large yellow pencil lies horizontally across the top of the page. The bottom right corner is decorated with a bouquet of flowers, including pink, yellow, and white roses and daisies, with green leaves and gold-colored swirls. The entire scene is set against a background of lined paper.
