

**Что будут делать воины шествуя за  
барабанной дробью?**

The background is a gradient of blue and green, transitioning from a deep blue at the top to a lighter green at the bottom. It features several abstract, flowing shapes in shades of blue and purple. There are numerous small, colorful dots (yellow, pink, white, cyan) scattered across the scene, some appearing to be part of a larger pattern or trail. Several large, translucent bubbles of various sizes are floating around, some with highlights and shadows, giving them a three-dimensional appearance. The overall aesthetic is clean, modern, and somewhat ethereal.

Ква, ква, ква, ква,  
Дружно квакнем мы «ура»!**
