## «ВЕРТОЛЁТ»

---

*Вращение карандаша между большим, указательным и средним пальцами.*

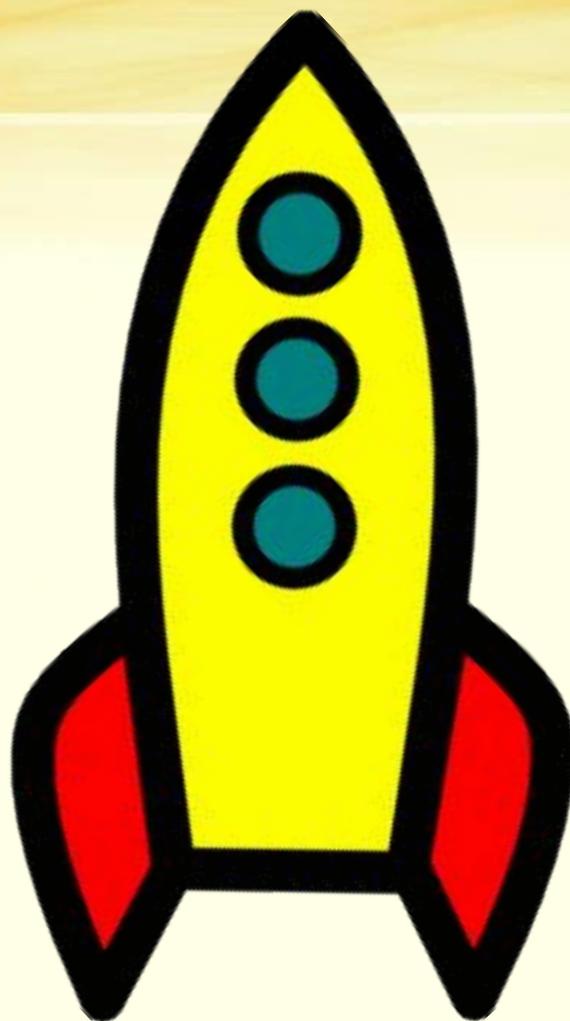

Возьми тонкий длинный карандаш тремя пальцами. Покрути его. Пусть он вращается быстро-быстро, как винт вертолёт.

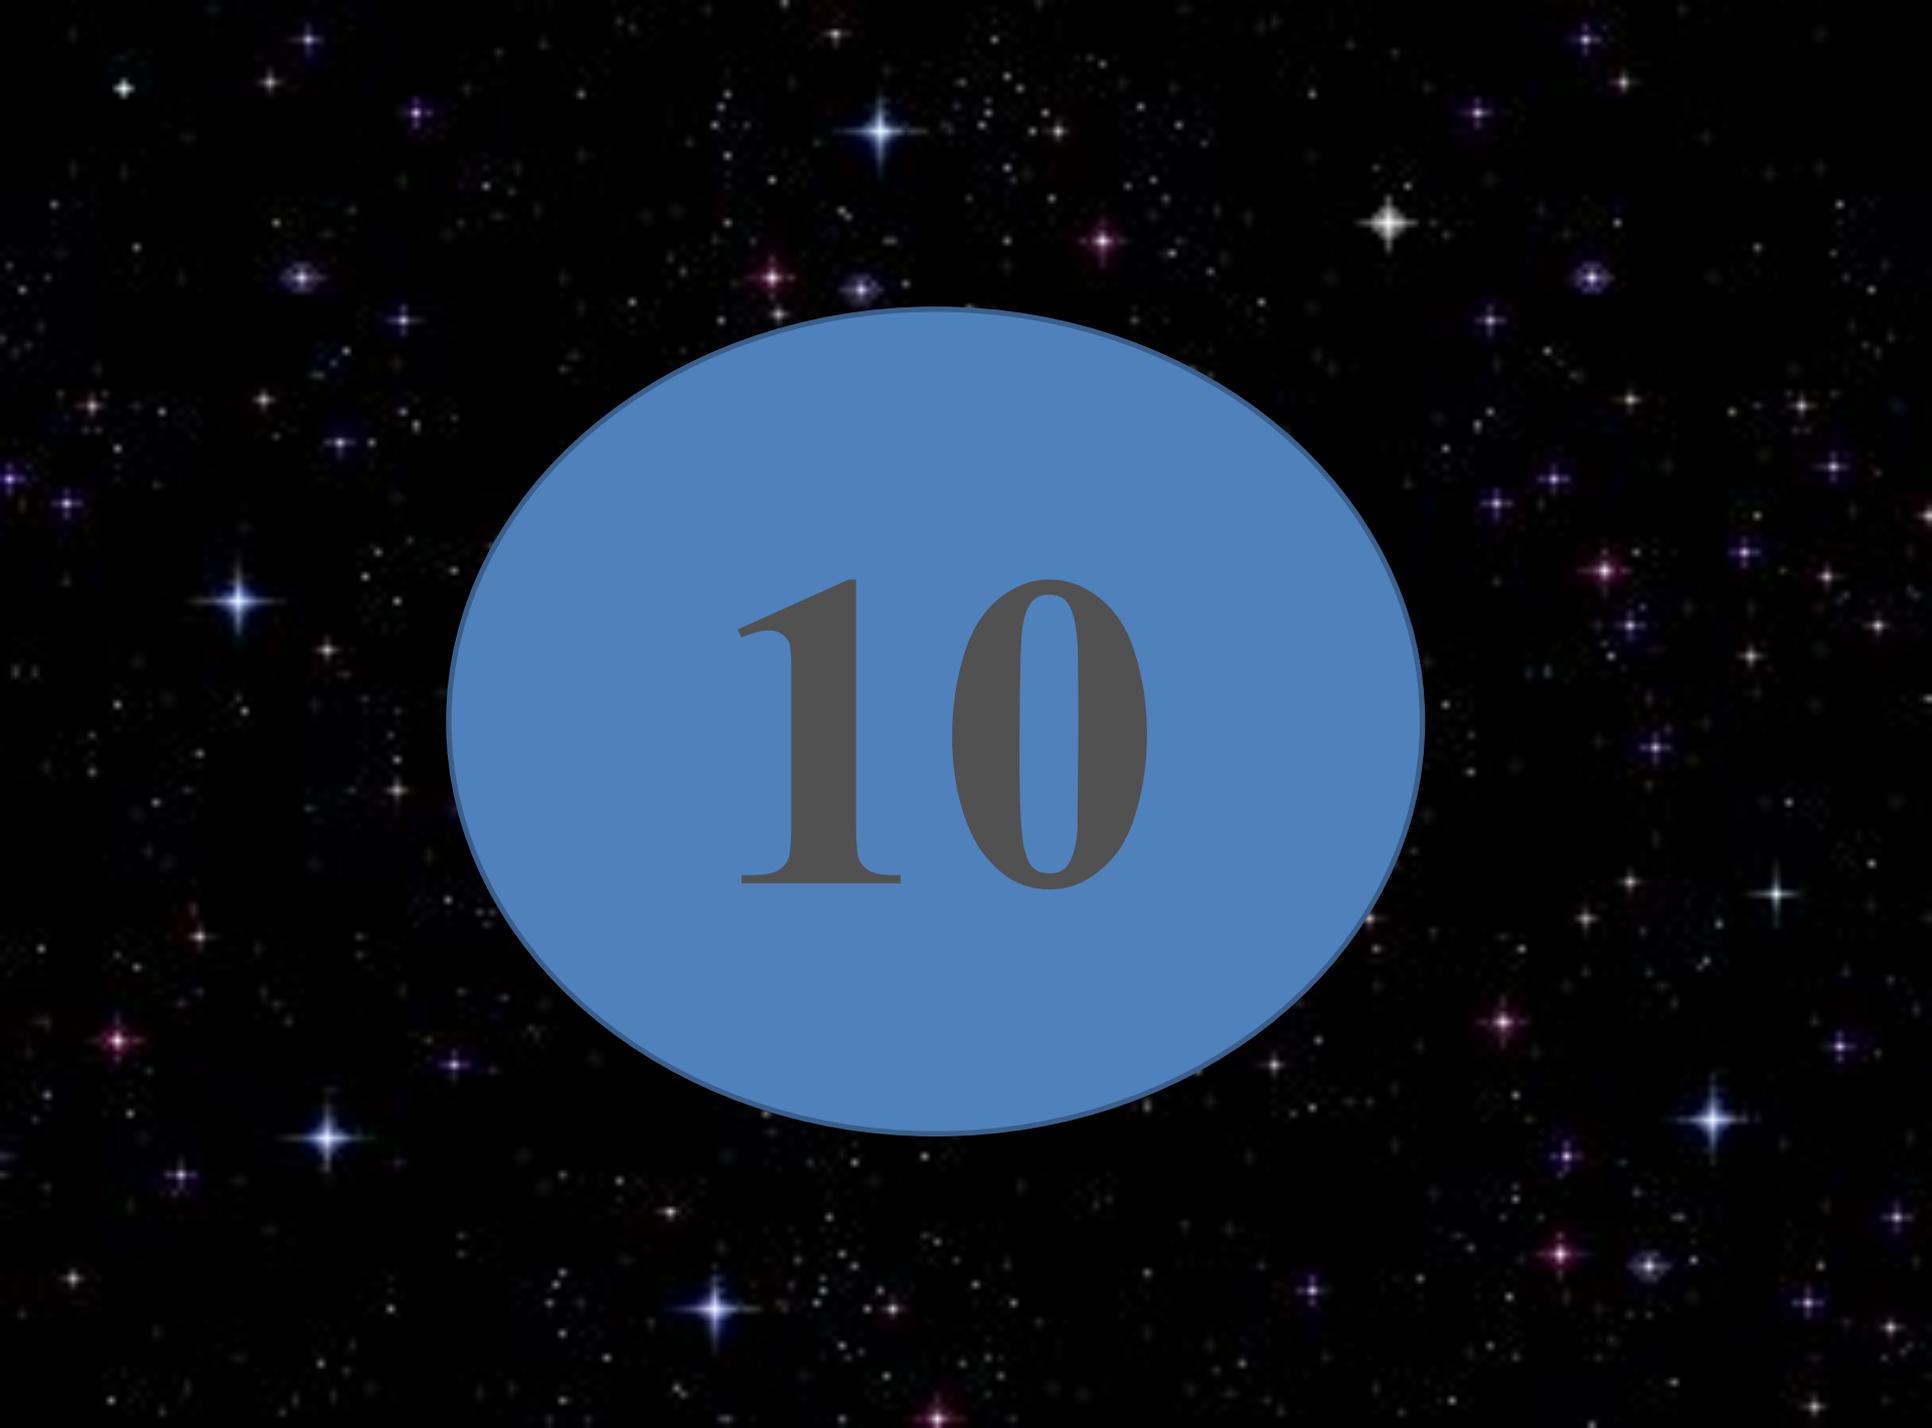

**Отправляется в полёт  
Наш красавец-вертолёт.**

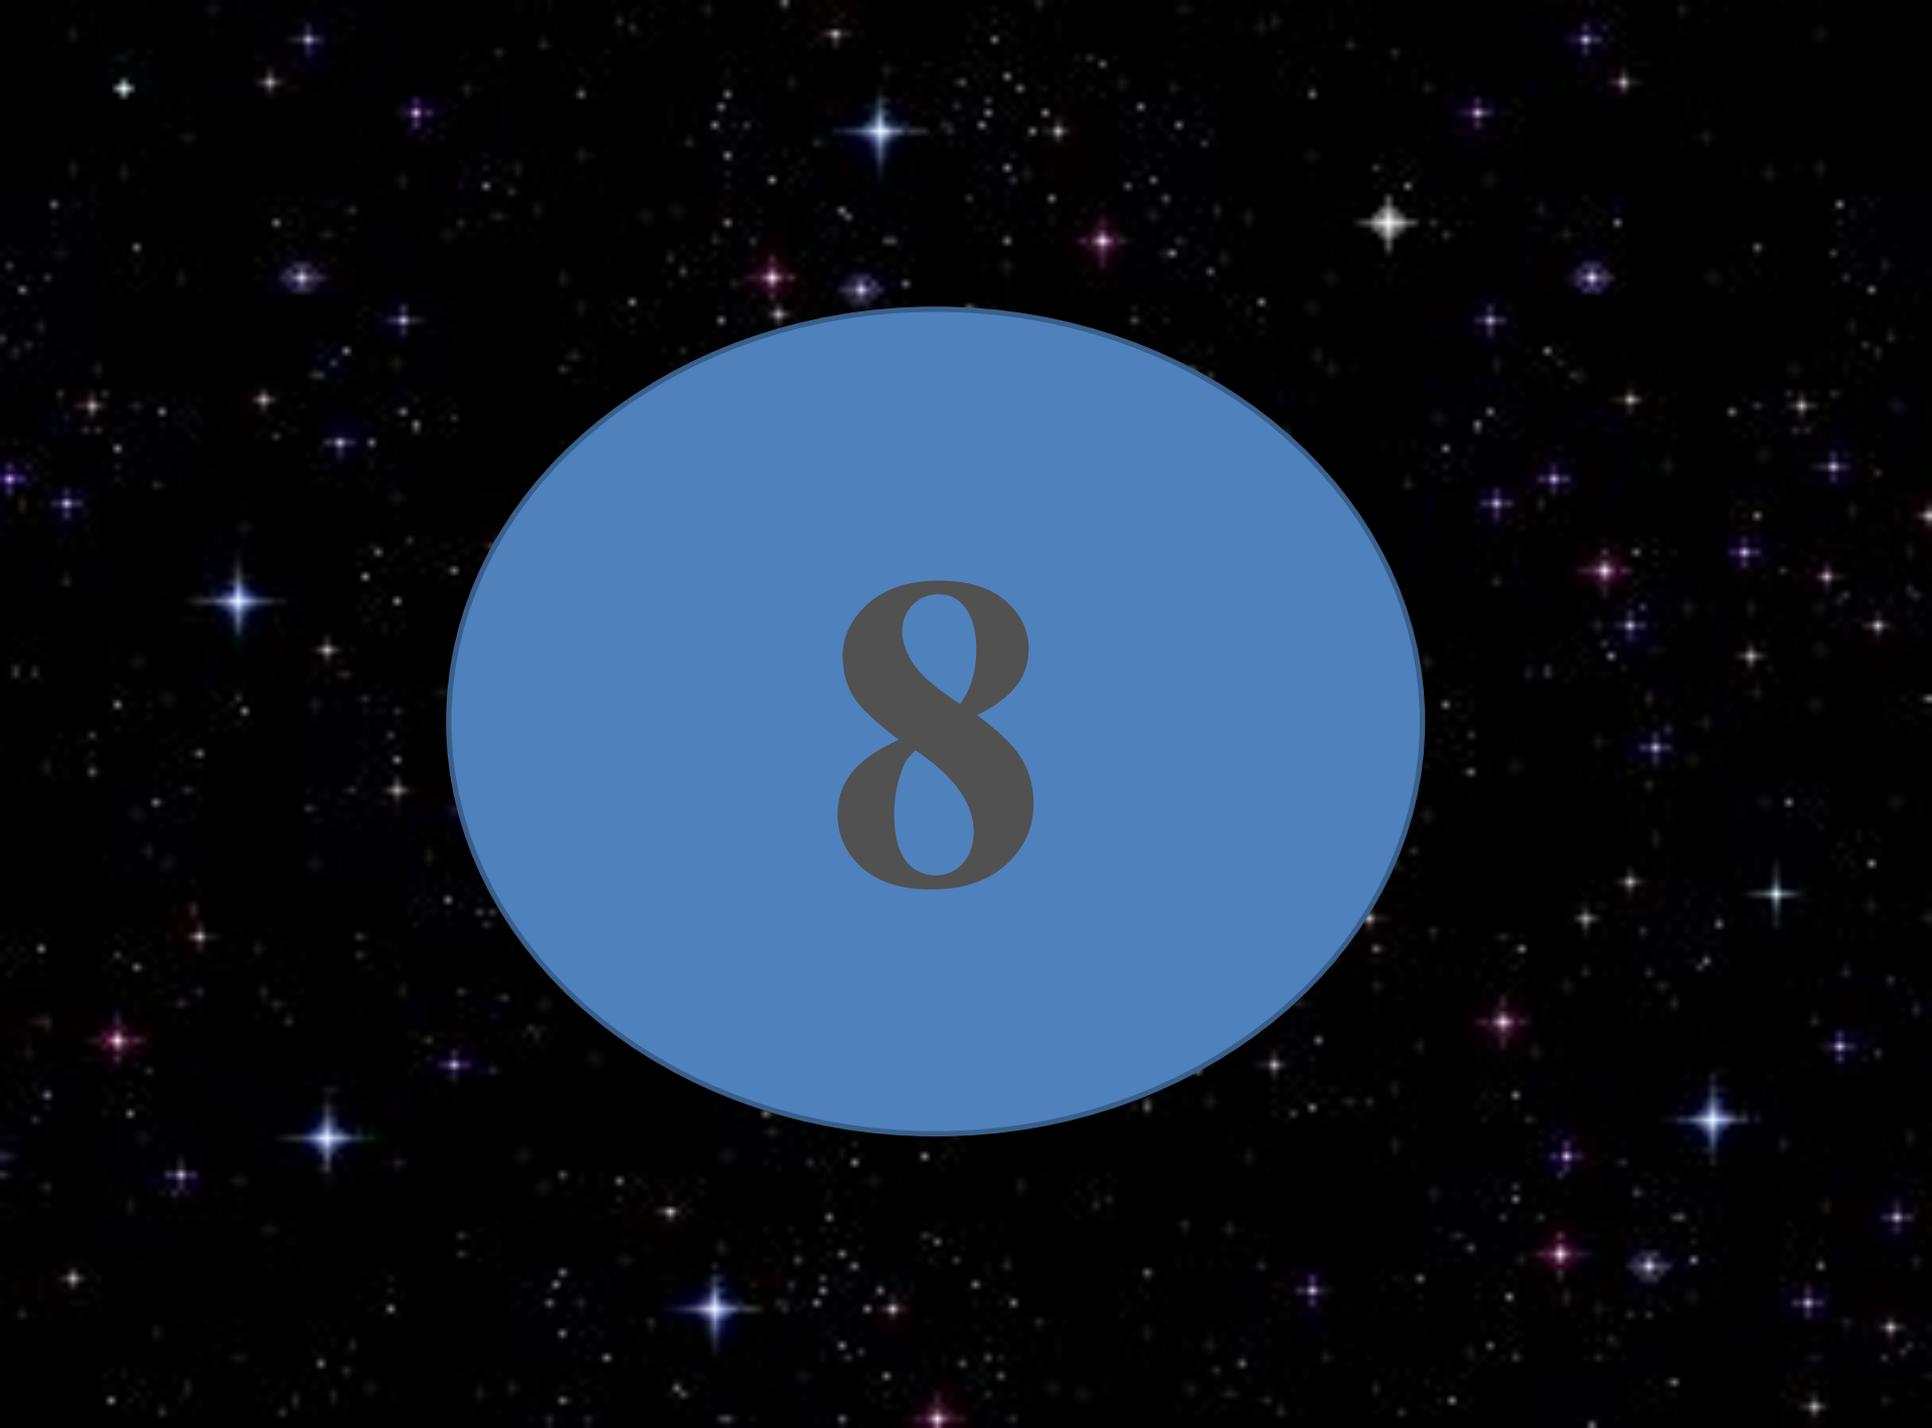

A large, light blue oval is centered on the page. Inside the oval, the number '10' is written in a dark grey, serif font. The background of the entire image is a dark blue night sky filled with numerous small, bright stars of varying colors, including white, yellow, and purple.

10

A large, light blue circle is centered on the page. Inside the circle, the number '9' is written in a dark grey, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

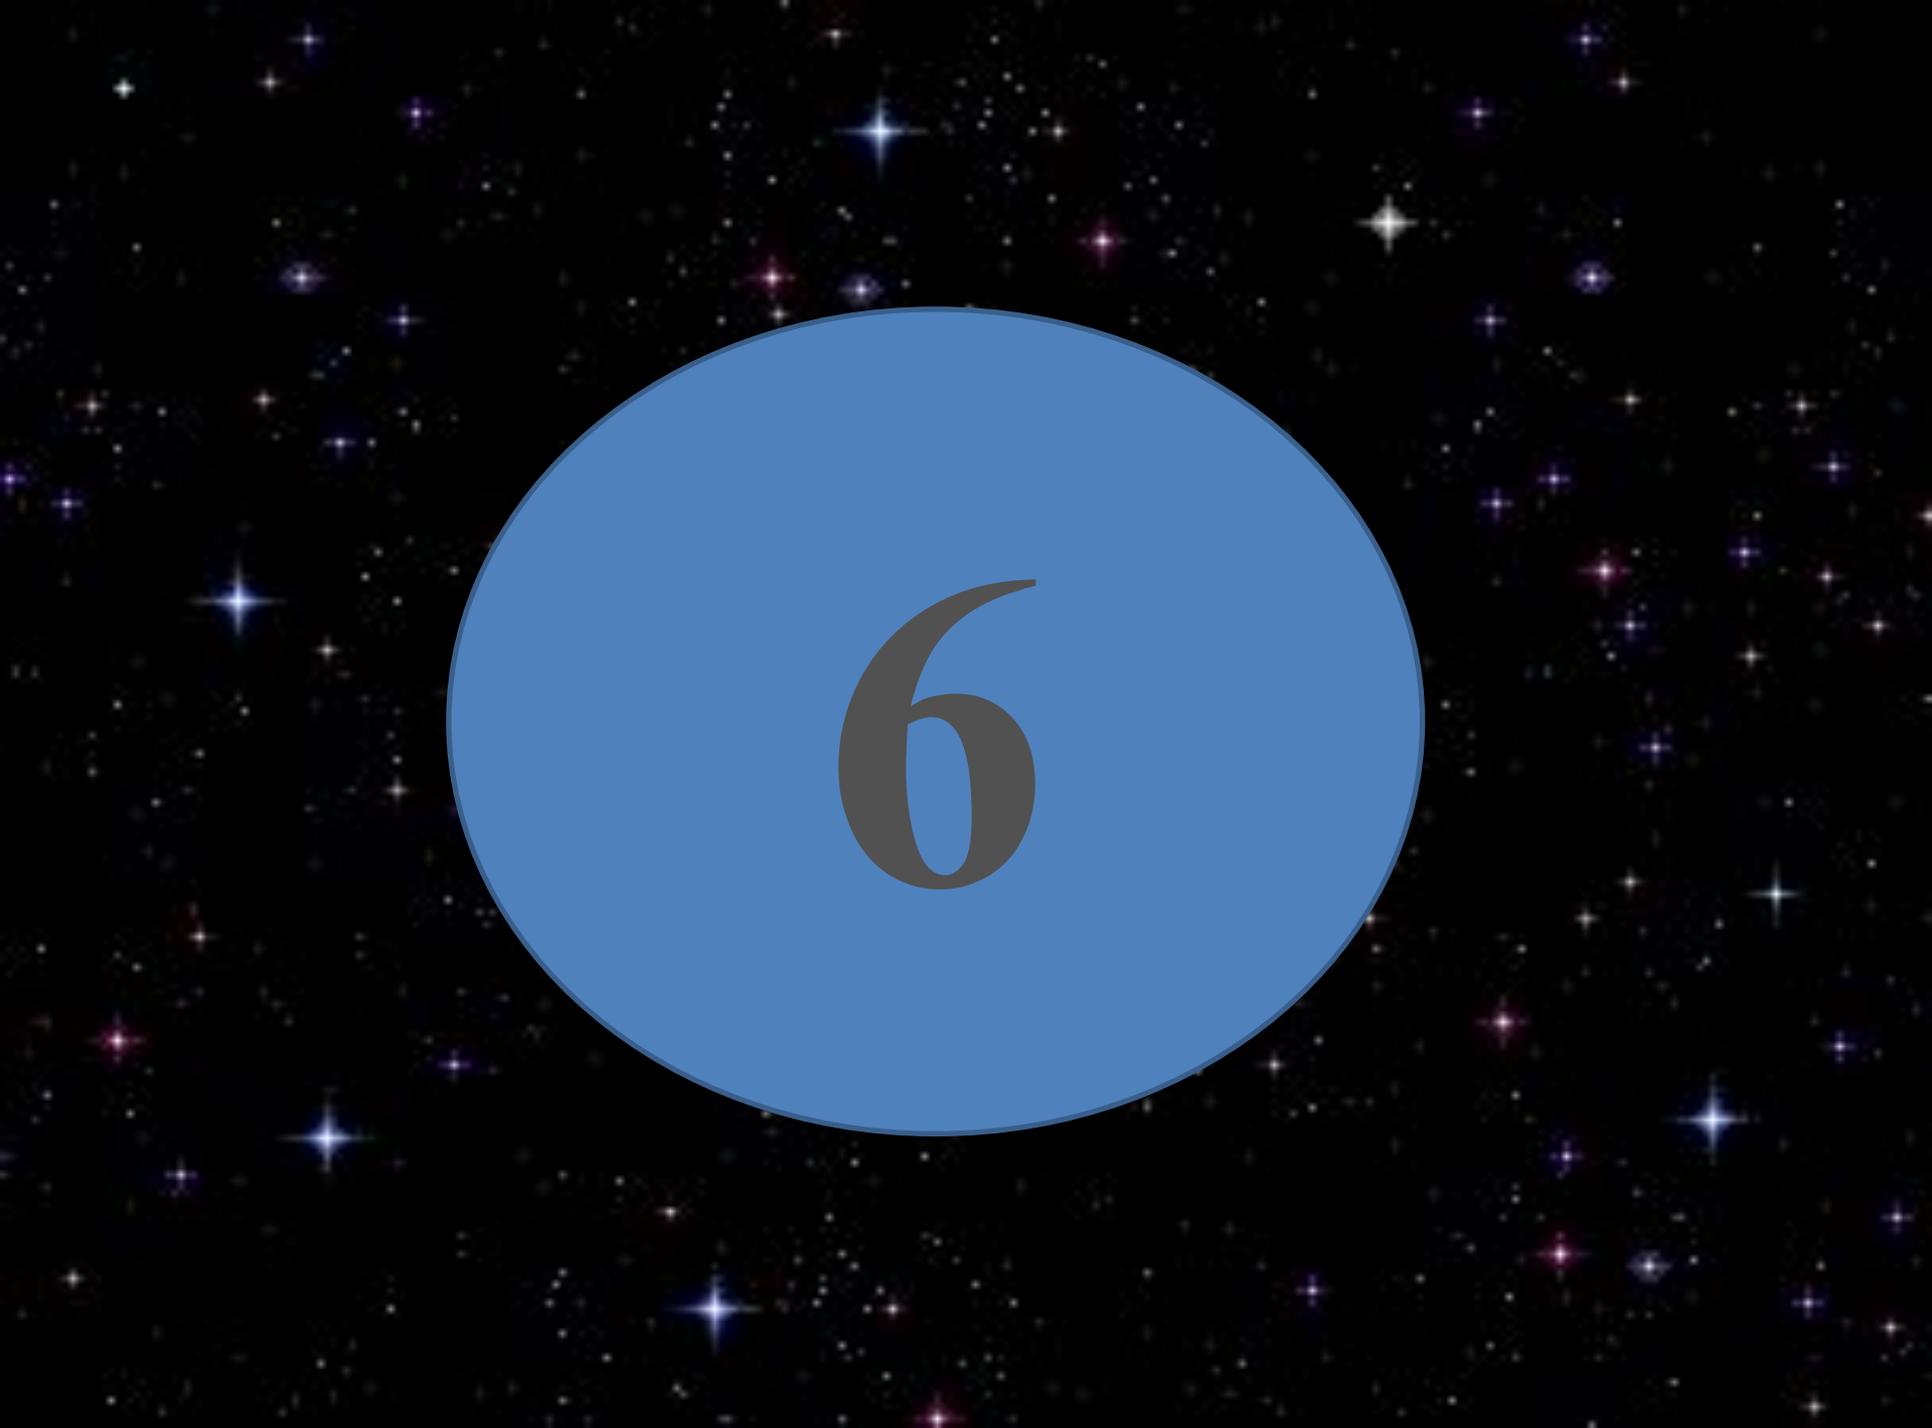

9

A large, light blue circle is centered on the page. Inside the circle, the number '8' is written in a dark grey, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

8

A large, light blue circle is centered on the page. Inside the circle, the number '7' is written in a dark grey, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

7

A large, light blue circle is centered on the page. Inside the circle, the number '6' is written in a dark, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across it.

6

A large, solid blue circle is centered on the page. Inside the circle, the number '5' is written in a dark, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

5

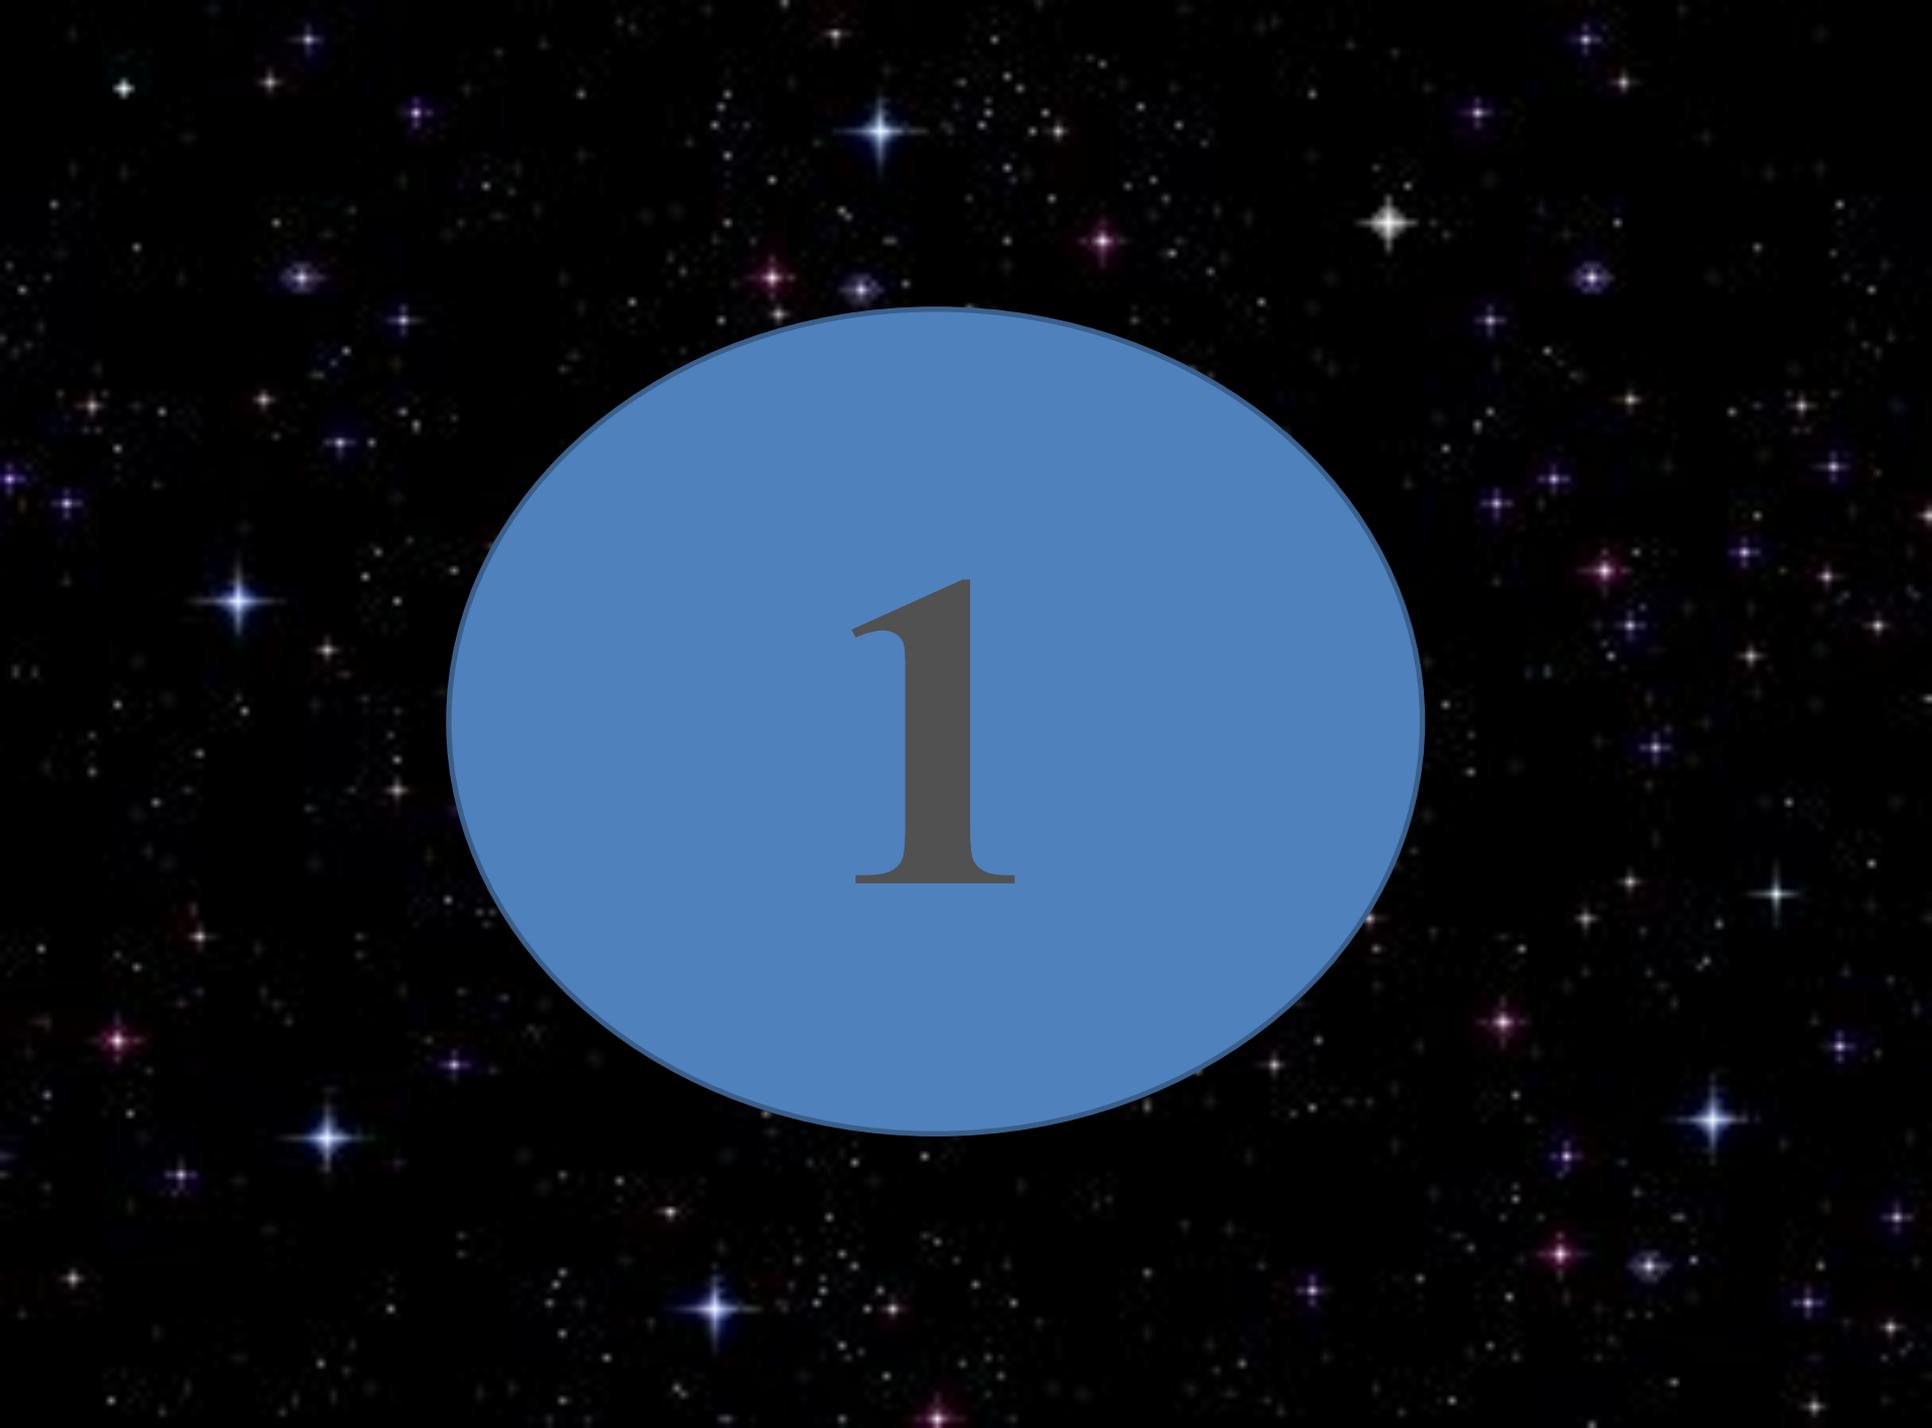

4

A large, light blue circle is centered on the page. Inside the circle, the number '3' is written in a dark, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

3

A large, light blue oval is centered on the page. Inside the oval, the number '2' is written in a dark, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.

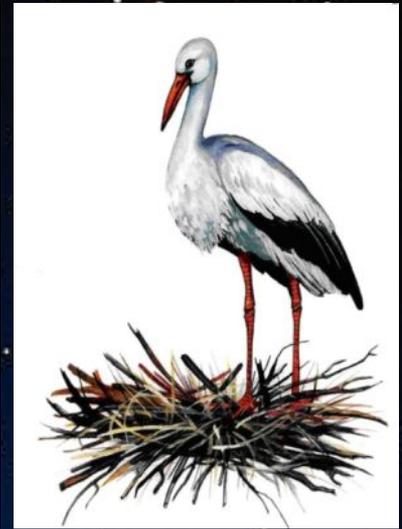

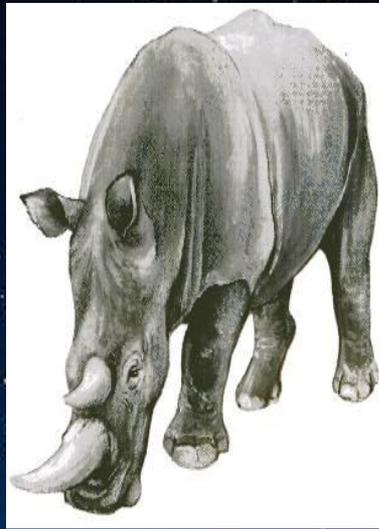

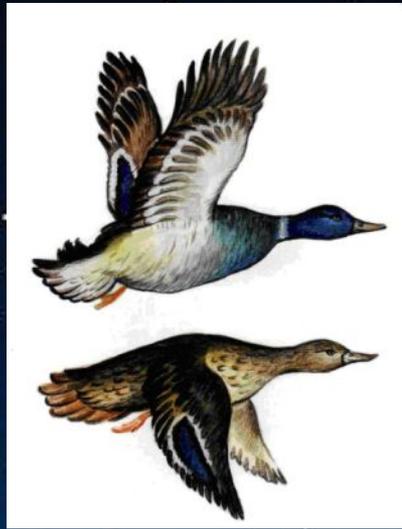

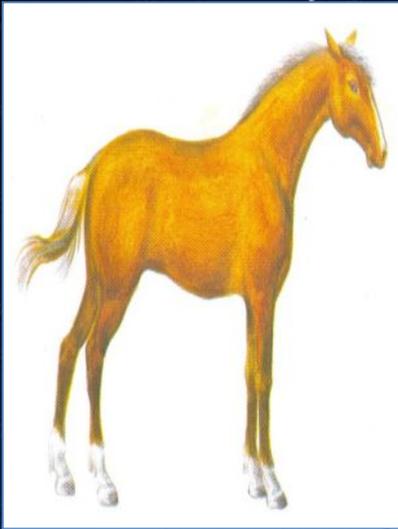

2

A large, light blue oval is centered on the page. Inside the oval, the number '1' is written in a dark, serif font. The background of the entire image is a dark blue, starry night sky with numerous small, bright stars of varying colors (white, blue, purple, pink) scattered across the field.
