Mother Teresa (1910–1997)

- Listen to the story about Mother Teresa and fill in the gaps.
- She was born in in Macedonia. She was a Catholic and the founder of the charity These missions helped the and the
In she got the Peace Prize for her work. She had started her work in Calcutta, but later her followers other missions in many other parts of the

Today there are about centres in different countries. These centres give to 500,000 families and help to sick people every year.

True or false? Correct the mistakes.

- Bill Gates was born in the USA.
- Dill Gates went to Eton.
- Harvard is the best university in England.
- Bill Gates met his future business partner at university.
- Bill Gates did n graduate from the university .
- Today Bill Gates is a very poor man.
- Microsoft is a computer software company

Bill Gates

- He was born on 28 October, 1955, in Seattle. When he was thirteen, his parents sent him to an expensive private school. In that school he met his future business partner, Paul Allen, and started programming computers. After school he went to Harvard, the best university in the USA. But he never graduated. He left Harvard two years later and gave all his time to Microsoft, the company he had started with Paul Allen in 1975. Today he is a multimillionaire. His company, Microsoft, is the biggest and most successful computer software company in the world.

Fill in the file about Lomonosov.

Name	
Family name	
Nationality	
Country	
What does he do?	

M. Lomonosov.

The title 'M. Lomonosov.' is positioned at the top left. To its right, there are three decorative circles: a solid light purple circle, an outlined light purple circle, and another solid light purple circle.

- He was born in 1711, in a little village near Arkhangelsk. His father was a fisherman and couldn't read or write, but this boy was very unusual. He liked books and always wanted to know more. When he was 19, he left home and went to Moscow. He went to school there. Fifteen years later he became the founder of the Moscow State University. He was a great chemist, physicist, writer and poet.
