

The background features a gradient from a deep red on the left to a dark blue on the right. Overlaid on this are several faint, semi-transparent circular elements. These include concentric circles, dashed lines, and solid lines, some with small arrowheads pointing in various directions. A prominent circular scale is visible on the left side, with numerical markings ranging from 140 to 260 in increments of 10. The overall aesthetic is technical and modern.
