

Юрий Алексеевич Гагарин

A space-themed illustration featuring Saturn, Jupiter, and several smaller planets against a black background. Saturn is the largest planet, shown with its characteristic rings, and is colored in shades of yellow and orange. Jupiter is positioned below Saturn, showing its characteristic bands of brown, orange, and white. To the right of Saturn are two smaller, bright blue planets. In the lower-left quadrant, there are several smaller, dimmer planets in various colors, including red, white, and blue. The text «Считалочка» is overlaid on the image in a white, sans-serif font.

«Считалочка»

$$10 - 8 = 2$$

$$13 - 1 = 12$$

$$8 - 7 = 1$$

$$17 - 7 = 10$$

$$9 - 5 = 4$$

$$10 + 2 = 12$$
