The image features a vibrant, stylized background divided into three vertical panels. The left panel is orange and depicts a bright yellow sun partially obscured by blue, scalloped-edged clouds. The middle panel is blue and shows a white cloud with a blue shadow beneath it. The right panel is green and contains a yellow crescent moon. At the bottom of the image, there is a layer of green grass, white clouds, and a multi-colored rainbow. To the right of the rainbow, there are several colorful, glowing shapes, including a yellow star and a blue globe-like object with white lines.
