

С Днём Матери!

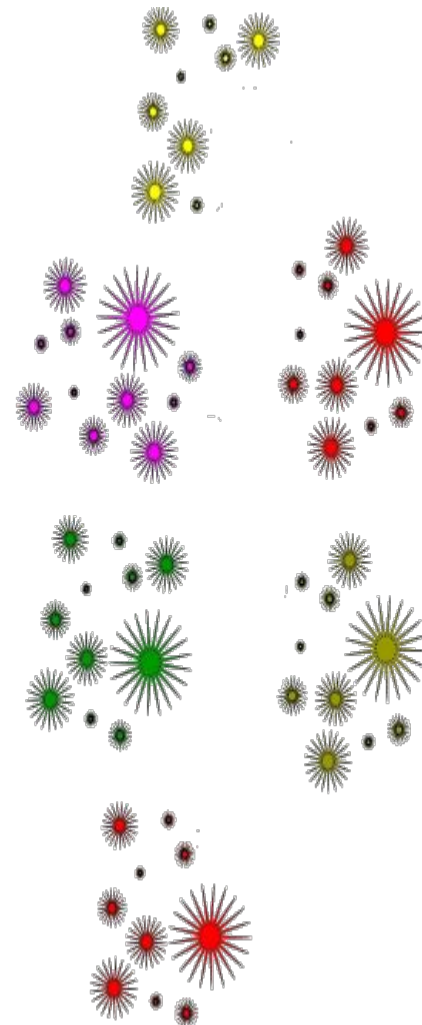

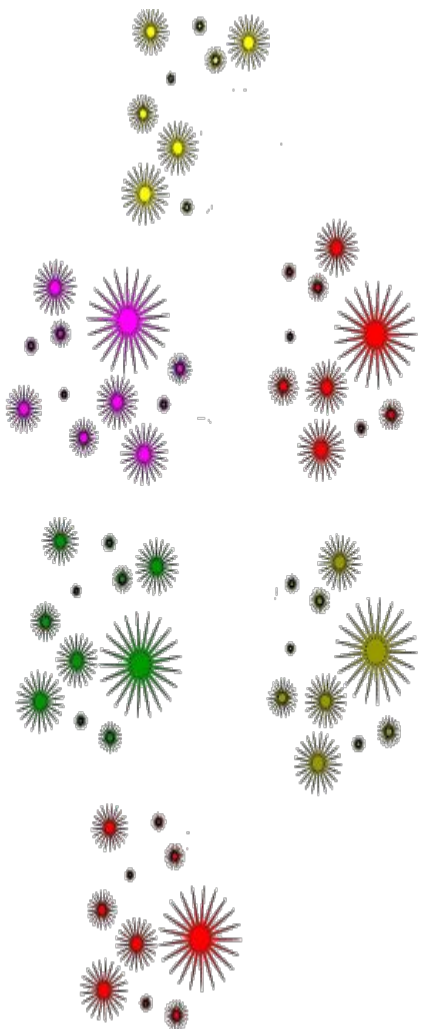

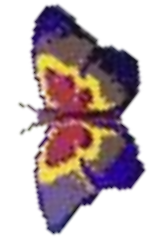

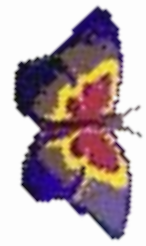

A decorative card for Mother's Day. The background is a light beige color with a subtle grid pattern. A diagonal lace border runs from the top-left to the bottom-right. In the top-right and bottom-left corners, there are bouquets of flowers, including white daisies with yellow centers, red roses, yellow chrysanthemums, and purple flowers. The text is written in a golden, cursive font. The top text reads "Любимой Маме" and the bottom text reads "Я тебя люблю и очень скучаю".
