

БАЛАШИХА

The image shows a large, light-colored stone monument. On the left, a tall, narrow rectangular pillar contains a dark, embossed coat of arms. A horizontal stone slab extends to the right from the base of this pillar, featuring the word 'БАЛАШИХА' in large, bold, white-outlined Cyrillic letters. To the right of the text on the slab is a dark, textured relief sculpture of a stylized tree or bush. The monument is situated on a grassy area next to a road, with trees in the background.
