

**40.1** Imagine that you are doing a project on **what volunteer activities are popular among teenagers in Zetland**. You have found some data on the subject – the results of the opinion polls (see the table below).

Activity	Number of respondents (%)
Working in animal shelters	56
Working in shelters for homeless people	17
Helping the elderly	12
Planting new trees	8
Picking up rubbish	7

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2-3 facts;
- make 1-2 comparisons where relevant and give your comments;
- outline a problem that can arise with volunteering and suggest a way of solving it;
- conclude by giving and explaining your opinion on the importance of volunteering for teenagers.

Аспект 1: Вступление соответствует предложенной теме проектной работы	+

## Аспект 2: 2-3 факта из данных в таблице приведены

According to the table, the majority of the respondents (56%) commit themselves to working at animal shelters. Just under a fifth of those surveyed (17%) volunteer at shelters for homeless people and another 12% are involved in elderly care. The rest of the respondents plant trees and pick up litter, at 8% and 7% respectively.

Аспект 3: 1-2 существенных сравнения даны и прокомментированы

+

As can be seen from the table, **there is a significant difference between** the figure for working at animal shelters and the figure for helping the elderly: **the former is 44% higher than the latter**. This difference can probably be explained by the fact that taking care of old people requires more skills and time than looking after animals.
