# SAMARA STATE TECHNICAL UNIVERSITY

Samara State Technical University is one of the leading universities in the Middle Volga region. It provides training in a wide range of areas and profiles for all industries in the region.

# THE HISTORY OF UNIVERSITY

**1914** – date of foundation  
by Nicholai II

**1935** – was named after  
V. Kuibyshev

**1956** – heat-power faculty

**1990** – transformed in  
Samara State Technical  
University

**2016** – became one of a  
reference university

# UNIVERSITY STRUCTURE

1. Academy, institutes, faculties, departments and training centers
2. Administrative and managerial divisions
3. Research part
4. Divisions of the educational and social sphere
5. Service units
6. Administrative and economic divisions

# SCIENTIFIC ACTIVITY

The advantage of the University as a research and educational center is the implementation of the principle of “learning through science” - attracting all categories of students to participate in real scientific research and development, and project activities.

# EXTRACURRICULAR ACTIVITY

There are many kinds of activities where students can participate outside of classes. For example, Student Scientific Society, Student Council or Student Theater of Estrada Miniature

In such activities students may find new friends, gain more experience and develop their abilities and talents.

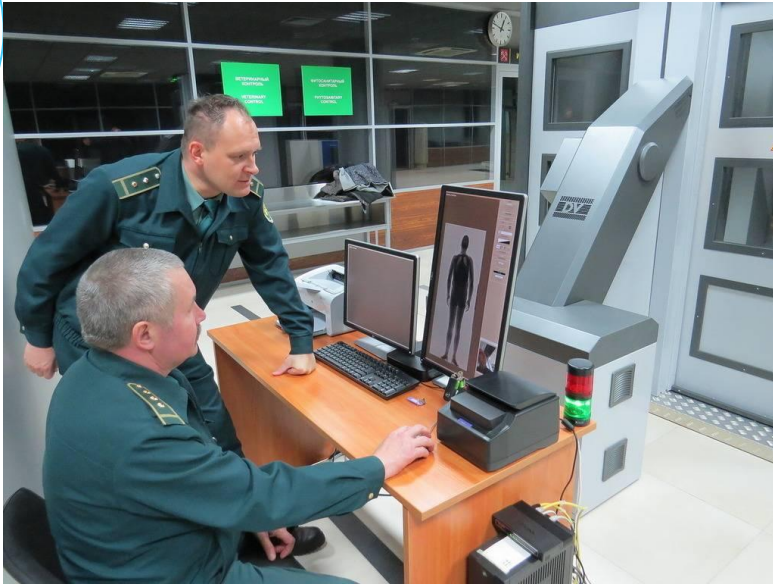

# MY SPECIALTY OF CUSTOMS

- The job of a customs officer is to:
- screening of passengers and their luggage
  - preparation of documents
