A Fiona, 16
└ Galway, Ireland

"I've got lots of friends and we're all into the same kind of things. We like watching TV, especially comedies and my all-time favourite is *Father Ted*. We love music too, and I'm really into indie* bands like *The Bravery* and the *Arctic Monkeys*. I try to go to as many gigs** as I can. I'm not really into fashion. I can't stand shopping and I couldn't care less about designer labels."

B Josie, 16
Glasgow, Scotland

"I really like shopping. I think it's a relaxing, enjoyable pastime. So much so, I can spend hours window shopping in the city centre with my friends. H&M is my favourite clothes shop because you can always find great bargains there. I also like going to the cinema and I try to catch a film at least once a fortnight with my friend, Tom. Everyone my age is crazy about mobile phones and texting has become a new national pastime!"

C Jamie, 16

└ Crystal Brook, Australia

"I live with my family on a farm near a small town in South Australia. The countryside is beautiful around here and I go walking and horse riding a lot, but life is generally boring. I don't fancy living here when I'm older and dream of going to live in a big city. My friends and I spend a lot of time on the Internet playing games and chatting and we watch DVDs. Of course, like all teenagers, we always have homework to do."

D Kim, 16
Vancouver, Canada

“During the week I don’t do much in the evenings apart from my homework, so I really look forward to the weekends.

On Saturdays, I usually hang out with my friends down at the shopping mall where we check out the shops for new clothes, grab a bite to eat and watch a movie.

On Sundays, I usually go for a trip to the countryside with my parents. I love that.”

E Brandon, 16
L Seattle, USA

"I'm an active person. I hate TV. I find sitting in front of a TV screen a waste of time. I'm fascinated by the great outdoors.

I'm a skateboard fanatic and get to and from school every day on one. At the weekends, I try to get out of the city and go rock climbing or paragliding.

Extreme sports are my passion! I think it's important to look good too and I go for the sporty look."
