Look for a zebra crossing or a traffic lights crossing. Don't cross between parked cars. Stop before you walk onto the road. Stand on the pavement near the kerb. Listen and look both ways for traffic. Make sure it's clear and walk straight across the road. Don't run.

Make sure your bike is in good working condition. Check your brakes and tyres regularly. Wear a bicycle helmet. Ride with the flow of traffic, not against it. Use bike lanes. Wear bright clothes in daytime. Never carry a second person on your bike.

Stand well back until the bus has stopped completely. Don't push others when you enter the bus. Sit down on your seat quietly and quickly. If there aren't free seats, use handgrips. Don't talk to the driver or annoy others on the bus. Don't lean out of the window. Don't wave from the window.

Always seat in the back seat if you are under twelve years old. Wear a seat belt. Don't block the rear view window. Don't play with the car door handles. Always use the door on the pavement side to get out of the car.

Yes, let's do this.

Ok, remember now, you have to be careful on the road all the time. Ok, go down Bridge Road towards the Park hotel.

Ok. Should I go straight or do you want me to turn right into Apple Street?

No, you can't turn right into Apple Street and you can't go straight. Look at the sign!

Oh yeah! I can only turn left here.

Very good! So, turn left into Apple Street.

Here we go...

Perfect! Now, stop at the traffic lights because the light is red. When the light turns green, turn left into Mill Street.

I see.

Now, park in front of the hospital.

But I can't park there! Look at the sign.

Where's the driving school?

Can Jane turn right into Apple Street?

Excellent! Turn left into Green Street and go towards the park.

Fine.

Can Jane park in front of the hospital?

Watch out! There's a car coming.
