Hello boys and girls!

My name is Ann. I am from London. I

have my day-off today. It was very

in the morning. And my friends

and I went to play in the yard. It was

warm. But soon many dark

clouds appeared in the sky. It was

and it started to rain. We ran home quickly.

But after dinner the weather changed again. The weather is  now. The  is blue and the  is shining brightly. We are very happy and are enjoying the weather now.

What is the weather like in your town now?

What is the weather like in your native country?
