

# APA style in-text citation: assignment on knowledge of paraphrasing and summarizing.

Week 3 Lesson 3  
English for Academic Purposes

# Assignment instructions

**1. Skim the articles that you choose for your essay**

**2. Find 2 ..... in the article and quote them follow the requirements of the APA style**

**3. Paraphrase 2 quoted statements:**

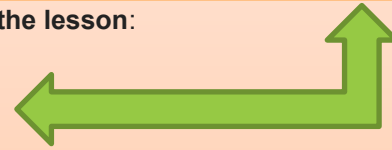

- ▶ Read the quoted statement carefully and make sure you understand the meaning.
- ▶ Rewrite the statement in your own words, using different words and phrases.
- ▶ Make sure to keep the same meaning as the original statement.
- ▶ One narrative in-text citation, the second parenthetical in-text citation

**3. Summarize the Findings section of the article:**

- ▶ Read the Findings section of the one academic article carefully.
- ▶ Identify the main points and arguments made in the Findings section.

# Assessment rubric

Criterion	Score
1. The <b>original two statements</b> (You can take them from multiple articles) should <b>be quoted</b> properly according to the APA citation style guide and <b><i>your quote should contain introduction (signal) phrase</i></b> . THEN PARAPHRASE them as required in below	20
2. The <b>two paraphrased statements followed the paraphrasing techniques given in the lesson</b> : <ul style="list-style-type: none"> <li>• Ensure that the paraphrased text conveys the same meaning as the original text.</li> <li>• Use different words and phrases to express the same idea.</li> <li>• Maintain the same tone and style as the original text.</li> <li>• Ensure that the paraphrased text is not too similar vocabulary to the original text.</li> <li>• Cite the original source.</li> </ul>	30
3. Summary (only ONE article should be used) <ul style="list-style-type: none"> <li>• Accurately captures the main points of the Findings section.</li> <li>• Clearly outlines the research results and implications.</li> <li>• Includes relevant details and evidence to support the findings.</li> <li>• Avoids introducing new information</li> <li>• Is concise and to the point.</li> <li>• Is free of spelling and grammar errors.</li> <li>• Around 75-85 words</li> </ul>	30
4. References follow the requirements of the APA style	10
5. The provided written information is free of grammar, punctuation, and spelling mistakes.	10
