## Two Ducks and the Frog

The Frog lives in the river. She is very kind. But she likes to chat a lot. She can chat from morning till night. She has two good friends. They are big ducks.

Autumn comes. It's cold, cloudy and windy. It's time for the ducks to fly to Africa. They like summer because it's hot and sunny. They don't like winter. It's snowy and cold. The Frog likes summer too. She wants to see Africa. She says, "My friends, take me to Africa with you, please!"

"Good!" – say the ducks. "But you must not speak! Don't open your mouth!"

So the Frog takes a stick in her mouth and puts it in the middle. Then one duck takes one end of the stick, the other duck takes the other end. They start to fly.

"Look!" What have the ducks got? What is it?"

"It is a big clock!"

"I am not a clock! I am a Frog!"  
And flop! The Frog falls down from the sky.

## The Donkey's Favourite Season

It's winter. It's cold and snowy. The Donkey is sad. "I don't like winter because I haven't got any green grass (трава). I can't walk in the park. In spring I will walk and play with children," says the Donkey.

Spring comes. It's warm and sunny. Now the Donkey is in the park. He has got a lot of green grass to eat. But he is sad again.

"I don't like spring! The children are very noisy (шумные) in the park. In summer I will dive and swim," says the Donkey.

Summer comes. It's hot. The children dive and swim. They ride bikes and scooters, play badminton and football. But the Donkey is sad again.

"I don't like summer because it's very hot. In autumn I will eat apples and carrots," says the Donkey.

Autumn comes. It's cloudy and rainy. Now the Donkey has got a lot of apples and carrots to eat. But he is sad again. "I don't like autumn because it's cloudy, windy and rainy. In winter I will play snowballs and toboggan."

Winter comes. But the Donkey is sad again...

Dear Ann,

Thank you for your letter.

Today is Saturday. It's a holiday. I don't go to school on Saturdays and Sundays.

It's rainy and cloudy today. But it isn't windy. It's warm. I like autumn. It's my favourite season.

When it's rainy, I can listen to music and read a book. When it's sunny and warm, we can have a picnic in the park. My dad says, "Tomorrow the weather will be fine. We'll go to the park and have a picnic."

My dad and my brother Jim will fly a kite. My mum, our dog Rex and I will play hide-and-seek. We'll have cheese and ham sandwiches and many tasty cakes with tea.

But winter will come soon. You know I don't like winter. We don't have picnics in winter.

Ann, what is your favourite season? What do you like to do in this season?

What will you do next winter?

Write back.

Yours,  
Jill Brown.
