## Summer camp. Video A1-A2

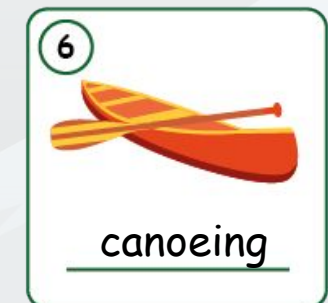

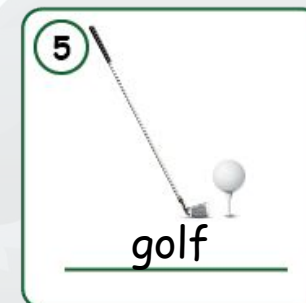

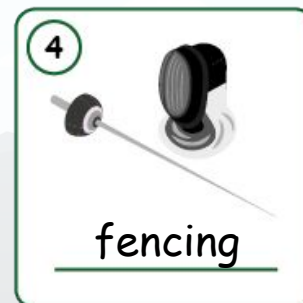

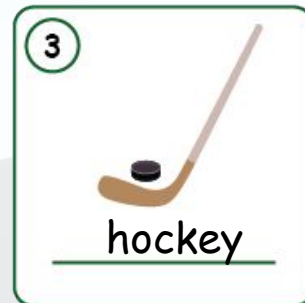

A visit to Camp McCullen is an excellent way to spend your summer. Believe me - I go there every year and I always have a fantastic time! Camp McCullen offers plenty of activities and you can choose how to spend your day. Do you like team games? You can play football, hockey or soccer - Camp McCullen has three large fields! You can play golf and tennis or go sailing or canoeing on the lake. There is something exciting to do every day. Would you like to try something new? Then take a fencing lesson or join the drama group or the Art and Craft class. There are helpful and friendly Team Leaders to teach you anything you want to know!

Campers usually get up early for a big breakfast to start their day. After breakfast, it's fun and games for the rest of the day (we stop for lunch of course). In the evenings, there's lots more fun: quizzes, games, films and music.

Camp McCullen is waiting for you this summer.
