- 1)IDEA League: what is it and who is included in it
- 2)The best engineering universities in Europe
- 3)Employment and salaries after education
- 4)Scholarships for study

# IDEA League

The IDEA League is a network of leading European universities of science and technology.

# The Best engineering universities in Europe:

- 1) Delft University of Technology (Netherlands)
- 2) ETH Swiss Federal Institute of Technology (Switzerland)
- 3) RWTH Aachen (Germany)
- 4) Chalmers University of Technology (Sweden)
- 5) Polytechnic University of Milan (Italy)

# Delft University of Technology

Delft Technical University is the oldest and largest technical university in the Netherlands, with over 16,000 students and 2,600 research staff.

# ETH Swiss Federal Institute of Technology

The university has more than 18,616 students from more than 110 countries. Most undergraduate courses are taught in German, while master's and doctoral programs are taught in English.

# RWTH Aachen

About 120 countries are represented among its 41,300 students, of which 8,000 are foreign. The university employs almost 3,000 teachers and about 7,000 students at the Faculty of Engineering. Most courses are taught in German, and some master's programs are taught in English.

# Chalmers University of Technology

Chalmers University of Technology (Chalmers tekniska högskola or Chalmers) is a Swedish university located in Gothenburg. Specializes in research and education in the fields of technology, natural sciences, architecture, mathematics, maritime navigation and other management fields.

# Polytechnic University of Milan

The Polytechnic University of Milan (Politecnico di Milano) is the largest technical university in Italy, with about 42,000 students. This is the oldest university in Milan, founded in 1863.

# Employment and salaries of engineers in Europe

Are engineers paid well in Germany?

€56,000 per year

What engineering professions are valued in France?

€54 000- 80 000 per year

What are the highest paid engineering professions in the Netherlands?

€48,000-60,000 per year

Which engineers are paid the most in Italy?

€38,000 per year

For example: the average salary of an engineer in Belarus is 1486 BYN (€546)

# Engineering Universities: scholarships for study

- Holland Scholarship
  - ETH Zurich Scholarship Coverage
  - Excellence Scholarship & Opportunity Programme
