How do the British and the Chinese celebrate birthday?

Birthday Treats

Britain

In Britain, we have a party to celebrate our birthdays. Everyone brings a small gift. My mum always makes me a birthday cake. We have a table full of food, crisps, sandwiches, small cakes and chocolate biscuits, ice cream and very small sausages you eat on a stick. I just love them. We decorate the house with balloons and I play party games with my friends. It's fantastic.

CHINA

Birthday celebrations are very special in China. We eat very long noodles that mean we will have a long life. I eat them in soup and try not to cut them because it's unlucky! We also eat red eggs. Red is a special colour in China. It always means something happy and brings good luck. We decorate the house with red paper and all the family comes for a party. We also get money in red envelopes. It's fun.
