[Gus] Hi, guys! I'm in an Internet cafe. It's raining heavily outside. I'm fed up with this weather. It's raining all the time.

[Nemo] I don't know how you can live in Scotland. There are nicer places to go to study.

[Gus] Scotland's great. It's the winter I don't like. It's grey almost every day. I hate winter.

[Amelia] Hey! You think that's bad! It's freezing here in Switzerland. It's snowing again. There is so much snow sometimes that I can't even go out.

[Gus] That's not my kind of place, then.

[Nemo] It's summer here in Australia and I'm having a great time. I'm sitting on the balcony at the moment and it is very, very hot. I love the summer.

[Amelia] You are lucky.
