An illustration of cherry blossom season in Kyoto. The background is a soft, light purple. In the foreground, there are stylized cherry blossom trees with dark, gnarled branches and vibrant pink and red blossoms. Some blossoms are in full bloom, while others are just buds. The trees are scattered across the scene, with some on the left and some on the right. The overall mood is serene and beautiful, capturing the essence of the cherry blossom festival.

Cherry Blossom Season in Kyoto

Here is where your presentation begins

Contents of this Template

Here's what you'll find in this **Slidesgo** template:

1. A slide structure based on a multipurpose template, which you can easily adapt to your needs. For more info on how to edit the template, please visit **Slidesgo School** or read our **FAQs**.
2. An assortment of pictures/illustrations that are suitable for use in the presentation can be found in the **alternative resources** slide.
3. A **thanks** slide, which you must keep so that proper credits for our design are given.
4. A **resources** slide, where you'll find links to all the elements used in the template.
5. **Instructions** for use.
6. Final slides with:
 7. The **fonts and colors** used in the template.
 8. A selection of **illustrations**. You can also customize and animate them as you wish with the online editor. Visit **Storyset** to find more.
 9. More **infographic resources**, whose size and color can be edited.
10. Sets of **customizable icons** of the following themes: general, business, avatar, creative process, education, help & support, medical, nature, performing arts, SEO & marketing, and teamwork.

You can delete this slide when you're done editing the presentation

And here comes the Slide title

Do you know what helps you make your point clear?

Lists like this one:

- Because they're simple
- You can organize your ideas clearly
- And because you'll never forget to buy milk!

And the most important thing: the audience won't miss the point of your presentation

- Because they're simple
- You can organize your ideas clearly
- And because you'll never forget to buy milk!

And the most important thing: the audience won't miss the point of your presentation

Maybe you need to divide the Content

Mercury

Mercury is the closest planet to the Sun and the smallest in our System

Venus

Venus has a beautiful name and it's the second planet. It's very hot

You could use *Three Columns*, why not?

Mercury

Mercury is the
closest to the Sun
and small

Venus

Venus has a
beautiful name, but
it's very hot

Mars

Despite being red,
Mars is a cold place,
not hot

A Picture always reinforces the Concept

Images reveal large amounts of data, so remember:
use an image instead of long texts
