leopard

The Bengal tiger is the national animal of India. It is orange with black, grey or brown *stripes*. It *hides* in tall grass and *hunts* big animals like deer. It is a really beautiful animal.

Indian elephants are very big and tall (2-3 metres), but they have small ears. Usually a big female is the *head* of a family of elephants. Indian people use elephants to carry *heavy* things with their *trunks*.

The Indian cobra is a black, brown, white or yellow snake. It is very *dangerous*.

The Indian rhino is a funny animal. It only has one *horn* (African rhinos have two). It usually lives *alone* and likes to sit in water or *mud*. There are only about 2,000 Indian rhinos today.

**stripe** – полоса  
**hide** – прятаться  
**hunt** – охотиться  
**dangerous** – опасный  
**head** – глава  
**heavy** – тяжелый  
**trunk** – хобот  
**horn** – рог  
**alone** – в одиночку  
**mud** – грязь

Read. Match the photos to the text.

Hi there! I've got a cat. Her name is Stripes. She is 5 years old with big ears and bright green eyes. Stripes plays in the garden all day and night and at night she sleeps on my bed. Cats are great! What do you think?

Hi Jessie, I'm Chris. I like cats, but I haven't got one. I think budgies are the best! My budgie has got blue, grey and white feathers and a little yellow beak. His name is Tweety and he sings all day long.

Hi guys! I've got a dog. His name is Nelson and he's 3 years old. He is very big with golden fur. I take him for walks in the park every day. Does anyone else like dogs?

Write the names of the animals

This animal has got a big body and lives on a farm. It can run but it can't jump.

It has got green feathers. It lives in the house.

It has got thick fur. It has got thin legs and a small head. It hasn't got horns.

It has got horns on its head. It has got long fur.

It's a small animal with a round body. It has got a small head. It can't run.

It's got short fur and long ears. It can't run. It can only jump.

It is small and fat. It has got thick fur. It has got small legs and ears..

It's got wings and feathers. It lives on farms.

They are cute, they are soft, but they are wild and they don't make good pets. You may think they are bears, but they aren't. Koalas are Australia's most popular marsupials.

They have got sharp claws for climbing.

They have got big round ears and a black nose.

They have got grey fur.

They have got short, strong arms and legs.

They eat eucalyptus leaves.

They live in trees.

**Animal: Bear**

**Face:** small ears, a small black nose  
**Body:** a big body, four strong paws

Read. Mark the sentences true or false.

There are many kinds of dogs in the world. They can be big, or they can be small.

The St Bernard is a very big dog with thick fur and thick legs.

The Chihuahua is very small and has thin, short legs.

Dogs love to play, but they can also work. Sheepdogs work on farms and help their owners take care of farm animals like cows and sheep. The Alaskan Husky can pull people in sleds across the snow.

One kind of dog, the German Shepherd, works with the police.

Dogs are really great animals.

A dog is man's best friend!

There are not many kinds of dogs.

The St Bernard is a small dog.

Chihuahuas have long legs.

Dogs can work on farms.

Sheepdogs help take care of cows.

The Alaskan Husky can pull sleds.

Dogs can't work with the police.
