A close-up photograph of a person's hands using a hand plane to smooth a piece of light-colored wood on a workbench. The plane is a metal tool with a wooden base, and it is being pushed forward, creating a fine shaving of wood. The workbench is dark and shows signs of use, with a black clamp visible in the foreground. The text "Чем что делают ?" is overlaid on the image in a bold, brown font.

Чем что делают ?

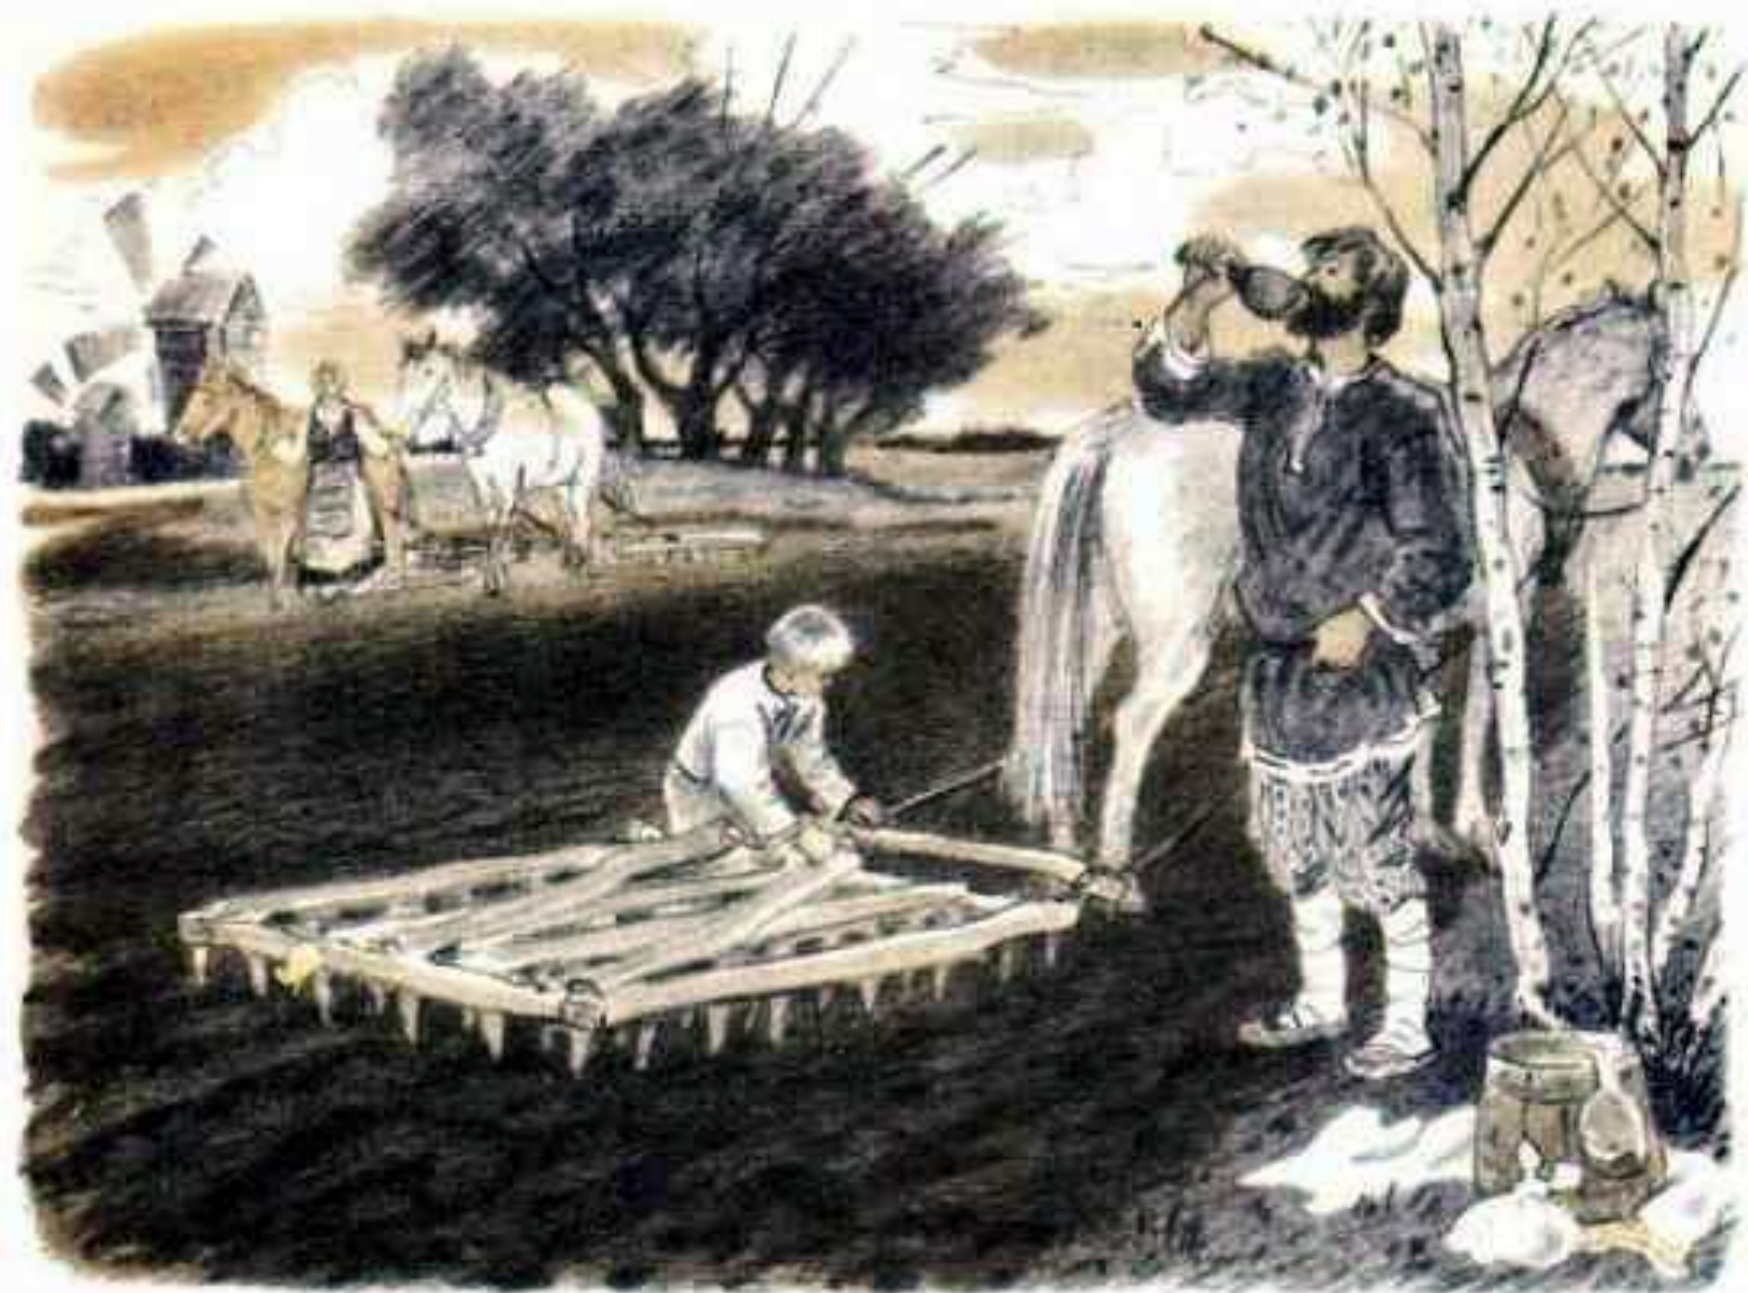

Нестеров.
