

# My Family

Arina Bogacheva, 13EaF

*My name is Arina,  
but my relatives  
call me Rina.*

I'm 18 y.o I am also a university student  
I have a big family: a mother and a father,  
elder brother, two grannies and  
grandfather. Also I have two nephews and  
a godmother. Let me show you  
something...

## My Mom and Dad <3

In this photo you can see Me, my Mom and my Dad. My Mom's name is Inna. She is a florist. Therefore, our whole house is full of flowers. I like her work, I often try to help her with different work.

My Father's name is Sergey. He worked for a long time in the police, but several years ago he went to work as a guard.

I really love my parents.

# *My Father and his previous family.*

MY FATHER WAS MARRIED TWICE. FROM HIS FIRST MARRIAGE HE HAS A SON - VICTOR. VICTOR IS MY ELDER STEP-BROTHER. IN MY CHILDHOOD WE SPENT A LOT OF TIME PLAYING TOGETHER. BUT NOW HE LIVES SEPARATELY FROM US.

Victor is much  
older than me.  
He is 30 y.o.

My brother Victor is married to Anna. She  
is my daughter-in-law.

Now they have already two children. My  
two-year-old nephew, Sergei, and my  
five-year-old niece, Varvara.

I also want to talk about my grandmothers.

My father's mom is older than my mom's mom. Therefore, it's hard enough for her to spend time with me, but I often visit her.

In the past, she was an architect and told me many interesting stories about this.

My second grandmother was a housewife. She spent all her time caring for children and home. Every summer I came to her for several months to rest. We baked pies and collected vegetables in the country.

# My godmother Olesya

I DON'T KNOW MUCH ABOUT HER,  
BECAUSE FOR SOME TIME WE  
LOST CONTACT WITH HER. BUT  
RECENTLY, WE RESUMED OUR  
COMMUNICATION, AND I AM  
GLAD TO SEE HER AGAIN.

NOW SHE IS ENGAGED IN  
NEEDLEWORK. SHE SELLS  
BROOCHES, EMBROIDERY AND  
TOYS.

Nevertheless, I  
cannot put my  
whole family in one  
presentation.

But I tried to briefly talk about the big.  
I love my family and I am very proud to  
be part of it.
