Subject: Hi :)

Hi Marco

Nice to meet you! My name's Sara and I'm fifteen. I live in London with my mum, my little brother Alfie and my dog, Cookie. We live in a small house in Greenwich. It's got three bedrooms and a small garden.

I live near my school so I walk to school every day. I like school and my favourite subjects are Maths and ICT. I want to work with computers when I leave school. What about you? What subjects do you like at school? I enjoy playing hockey and I'm in the school hockey team. Last week we won a match and I scored a goal!

My best friends are Jo and Steph and we're in the same class. Our teacher Mrs Jenkins is nice, but sometimes she gives us lots of homework :(. After school I often go to a café with my friends. The café has got Wi-Fi so we can chat online and then usually we go home to do our homework.

At the weekend I sometimes play in hockey matches and I often go roller-skating in the park. I'm good at roller-skating because I can go very fast and sometimes I skate when I take my dog for a walk!

Write soon and tell me all about yourself, your friends and your family.

Best wishes

Sara

Dear Bob,

My name is Madison and I'm 15 years old. My birthday is on 7th February, so I will be 16 next February!!!

I am a very sporty person, I do gymnastics and I go swimming twice a week. I also love dancing. In my free time I like going out with my friends and I really like going to the cinema. I love music, too. I can play the guitar and the piano. My favourite singers are Dani Martín, Jason Mraz and Bruno Mars.

This is me! Write me about you and your interests. I know you are crazy about modern music. I am looking forward to hearing from you some details about your favourite music styles.

Best regards,

Madison

VARIANT 4

To: Jane

From: Kuba

Subject: Hello!

Dear Jane,

I'm very pleased that we're going to be penfriends. It's wonderful to have someone with whom I can share my opinions and experiences. In this first letter, I'll write a few words about myself and it would be great if you could do the same when you'll be writing to me. I live in Pabianice, a small town near Łódź. My house is situated in the outskirts of the town and it takes a lot of time to get to the town centre by bus. Despite this disadvantage, I like my house very much because it's spacious. My parents built and decorated it.

My friends say I am fat but I don't think so. I have long black hair and dark brown eyes. I am talkative and my teacher often tells me to be quiet. I think I am a polite boy and I like looking after my younger brothers.

I am a pet lover and have a dog, a cat, a canary, and two fish. They need a lot of attention. I play with my dog and cat every day. I feed my pets two times a day and walk my dog every evening. Music is my hobby. I love rock and metal. My favorite band is Metallica. I have lots of CDs and I listen to them whenever I have some free time. I also like cycling. I wish I could ride a bike every day, but I usually have no time.

I go to the 1st General Secondary in Pabianice. I also go to a music school. I play the violin and the piano. This is why I have little, if any, free time. At the moment I'm working very hard. A new school year has started and I have lots of books to read, hundreds of new English and French words to memorize, and many papers to write. I hope you're not as busy as I am and can reply quickly.

I'm looking forward to hearing from you soon,

Kuba.
