Hi David,

You *asked* (ask) me about my expedition to Scotland. Well, we ¹ _____ (travel) to the north of Scotland by bus but after that we ² _____ (walk), ³ _____ (climb) mountains and ⁴ _____ (cross) the river by canoe!

All the activities were great but it was hard work, too. I ⁵ _____ (carry) water from the river every evening and ⁶ _____ (cook) on a fire at the camp. Our leader ⁷ _____ (play) the guitar under the stars!

There's some information about the expedition on our school website. Why don't you look at it? There's a photo of me in the river!

See you soon.

KING OF BEASTS

Throughout the history of man, the lion has been the symbol of strength. We say 'strong as a lion', or 'lion-hearted'. But this was not because a lion can defeat all other animals, but because lions strike terror in man and other beasts.

- 1 Lion is a symbol of strength because
- A) it kills other animals
 - B) it is very big
 - C) everybody is afraid of him

Lions are members of the cat family. An average grown-up lion is about nine feet long and weighs between 400 and 500 pounds. The males are larger than the females.

- 2 The length of a lion is
- A) about 400 pounds
 - B) 9 feet
 - C) more than 500 pounds

The lion's voice is a roar or a growl. Unlike other cats, it doesn't purr and rarely climbs trees. Unlike other cats, too, it can swim in deep water.

- 3 It is different from other cats because
- A) it can climb trees
 - B) it can swim in deep water
 - C) it can purr

Lions live in more or less open country and not in forests. And because they drink once a day, they always live near some water. Lions may live alone or in pairs, or in groups which are known as 'prides'.

- 4 Lions prefer to live
- A) in water
 - B) in forests
 - C) in the open country

Lions rest by day and do their hunting by night. The main food supply of lions comes from zebras, gazelles, and antelopes. Sometimes a lion will attack a giraffe, but it won't attack an elephant, rhinos or hippopotamus. When a lion isn't hungry, he pays no attention to other animals.

- 5 Lions usually hunt
- A) at night
 - B) during the day
 - C) at rhinoceros and hippopotamus

Dear Dasha,

Thank you for your letter. It was great to hear from you!

In your letter you asked me about my town. Well, I enjoy living in Brighton. There are a lot of parks and cafés here. You know, many people come here for their holidays. When it is sunny and warm, they swim in the sea. I love swimming and playing near the sea too.

By the way, do you like to spend you holidays at the seaside? Would you like to visit me in summer months? Any news about your best friend?

Write back soon!

Lots of love,

Jane

Dear Emily,

Thank you for your letter. It was great to hear about your new house!

As for my new school, it's very big! It has three computer rooms and wonderful sports facilities. Actually, it seems a nice place and I enjoy studying there. The kids in my class are very friendly. I've already made some new friends and we often meet after classes. I've got only one new subject this year. It's Economics and I'm beginning to think that it's not difficult, after all!

By the way, what music styles do you enjoy? Have you got any favourite bands? Would you like to go to their concert? As for me, I prefer Radiohead. They are cool

I'd better go now. Mum wants me to help with the housework. Keep in touch!

Lots of love,

Ann
